Oh eh

All of the people start to rush, start to rush by
caught in a twisted dance
Can't find my drink oh man,

What's going on, on the floor
I love this record baby but I can't see straight anymore
Keep it cool, what's the name of this club
I can't remember but it's alright, I'm alright

Just dance, it's gonna be okay da da doo-doom
Just dance, spin that record babe da da doo-doom
Just dance, it's gonna be okay
Da da da
Dance, dance, dance
Just, just, just, just dance

Wish I could shut my playboy mouth
How'd i turn my shirt inside out
Control your poison babe
Roses have thorns they say

And were all getting hosed tonight

What's going on, on the floor
I love this record baby but I can't see straight anymore
Keep it cool, what's the name of this club
I can't remember but it's alright, I'm alright

Just dance, it's gonna be okay da da doo-doom
Just dance, spin that record babe da da doo-doom
Just dance, it's gonna be okay
Da Da Da

Poker Face

I wanna hold em'
like they do in Texas Plays
fold em' let em' hit me raise it
baby stay with me (I love it)
luck and intuition
play the cards with Spades to start
and after he's been hooked
I'll play the one that's on his heart

Oh, oh, oh...
I'll get him hot,
show him what I've got
Oh, oh, oh...
I'll get him hot,
show him what I've got.

Can't read my...
can't read my...
no he can't read my poker face
(she's got to love nobody)
can't read my...
can't read my...
no he can't read my poker face
(she's got to love nobody).

Poker face...
Poker face...

I wanna roll with him
a hard pair we will be
a little gambling is fun
when you're with me (I love it)
Russian roulette is not the same
without a gun
and baby when it's love
if it's not rough it isn't fun, fun

Oh, oh, oh...
I'll get him hot,
show him what I've got
Oh, oh, oh...
I'll get him hot,
show him what I've got.

Can't read my...
can't read my...
no he can't read my poker face
(she's got to love nobody)
can't read my...
can't read my...
no he can't read my poker face
(she's got to love nobody).

Poker face...
Poker face...

I won't tell you that I love you
kiss or hug you
'cause I'm bluffing with my muffin
I'm not lying
I'm just stunning
with my love-glue-gunning.

Just like a chick in the casino
take your bank before I pay you out
I promise this, promise this
check this hand cause I'm marvelous.

Can't read my...
can't read my...
no he can't read my poker face
(she's got to love nobody),
can't read my...
can't read my...
no he can't read my poker face
(she's got to love nobody).

Poker face...
Poker face.

Alejandro

I know that we are young,
And I know that you may love me,
But I just can't be with you like this anymore,
Alejandro

She's got both hands
In her pocket
And she won't look at you
Won't look you at
She hides through love
en su bolsillo
She got a halo around her finger
Around you

You know that I love you boy
Hot like Mexico, rejoice
At this point I gotta choose
Nothing to lose

Don't call my name,
Don't call my name, Alejandro.
I'm not your babe,
I'm not your babe, Fernando

Don't wanna kiss, don't wanna touch
Just smoke one cigarette and run
Don't call my name
Don't call my name, Roberto

(Alejandro

Just stop
Please, Just let me go Alejandro, Just let me go,

She's just a baby
But her boyfriend's like a dad, just like a dad
Draw those flames that burn before him
Now he's gonna find a fight, gonna fool the bad

You know that I love you boy
Hot like Mexico, rejoice
At this point I gotta choose
Nothing loose

Don't call my name
Don't call my name, Alejandro
I'm not your babe
I'm not your babe, Fernando

We are all born superstars
She rolled my hair and put my lipstick on
In the glass of her boudoir
There's nothin wrong with lovin who you are
She said, "cause he made you perfect, babe"

"So hold your head up girl and you'll go far,
Listen to me when I say"

I'm beautiful in my way
'Cause god makes no mistakes
I'm on the right track baby
I was born this way

Don't hide yourself in regret
Just love yourself and you're set

Judas

Ohohohoh
I'm in love with Juda-as Juda-as

Ohohohoh
I'm in love with Juda-as Juda-as

Juda-as Juda-as
Judas- Juda-a-as Judas!
Juda-a-as
Judas- Gaa-Ga

Juda-as Juda-as
Judas- Juda-a-as Judas!
Juda-a-as
Judas- Gaa-Ga

When he comes to me, I am ready
I'll wash his feet with my hair if he needs
Forgive him when his tongue lies through his brain
Even after three times, he betrays me

I'll bring him down, bring him down, down
A king with no crown, king with no crown

I'm just a Holy Fool, oh baby he's so cruel
But I'm still in love with Judas, baby
I'm just a Holy Fool, oh baby he's so cruel

But I'm still in love with Judas, baby

Ohohohoh
I'm in love with Juda-as Juda-as

Ohohohoh
I'm in love with Juda-as Juda-as

Juda-as Juda-as
Judas- Juda-a-as Judas!
Juda-a-as
Judas- Gaa-Ga

I couldn't love a man so purely
Even darkness forgave his crooked way
I've learned our love is like a brick
Build a house or sink a dead body

I'll bring him down, bring him down, down
A king with no crown, king with no crown

I'm just a Holy Fool, oh baby he's so cruel
But I'm still in love with Judas, baby
I'm just a Holy Fool, oh baby he's so cruel
But I'm still in love with Judas, baby

Ohohohoh
I'm in love with Juda-as Juda-as

Ohohohoh
I'm in love with Juda-as Juda-as

In the most Biblical sense,
I am beyond repentance
Fame hooker, prostitute wench, vomits her mind
But in the cultural sense
I just speak in future tense
Judas kiss me if offended,
Or wear an ear condom next time

I wanna love you,
But something's pulling me away from you
Jesus is my virtue,
Judas is the demon I cling to
I cling to

I'm just a Holy Fool, oh baby he's so cruel
But I'm still in love with Judas, baby
I'm just a Holy Fool, oh baby he's so cruel
But I'm still in love with Judas, baby

Ohohohoh
I'm in love with Juda-as Juda-as
Ohohohoh
I'm in love with Juda-as Juda-as

Juda-as Juda-as
Judas- Juda-a-as Judas!
Juda-a-as
Judas- Gaa-Ga

ART POP

Applause

I stand here waiting for you to bang the gong
To crash the critic saying, is it right or is it wrong,
If only Fame had an IV baby could I bear
Being away from you, I found the vein put it in here

I live for the applause, applause, applause
I live for the applause-please, live for the applau-se-please
I live for the way that you cheer and scream for me
The applause, applause, applause

Give me the thing that I love
(I'll turn the lights out)
Put your hands up make 'em touch, touch
(Make it real loud)
Give me the thing that I love
(I'll turn the lights out)
Put your hands up make 'em touch, touch
(Make it real loud)

I've overheard your theory
"Nostalgia's for geeks"

I guess sir, if you say so
Some of us just like to read
One second I'm a Koons then
Suddenly the Koons is me
Pop culture was in art now
Art's in pop culture in me

I live for the applause, applause, applause
I live for the applause-please, live for the applau-se-please
I live for the way that you cheer and scream for me
The applause, applause, applause

Give me the thing that I love
(I'll turn the lights out)
Put your hands up make 'em touch, touch

Perfect Illusion

Tryin' to get control
Pressure's takin' its toll
Stuck in the middle zone
I just want you alone
My guessing game is strong
Way too real to be wrong
Caught up in your show
Yeah, at least now I know

It wasn't love, it wasn't love
It was a perfect illusion (perfect illusion)
Mistaken for love, it wasn't love
It was a perfect illusion (perfect illusion)
You were a perfect illusion

I don't need eyes to see
I felt you touchin' me
High like amphetamine
Maybe you're just a dream
That's what it means to crush
Now that I'm wakin' up
I still feel the blow
But at least now I know

It wasn't love, it wasn't love
It was a perfect illusion (perfect illusion)

Mistaken for love, it wasn't love
It was a perfect illusion (perfect illusion)

Where are you,
Cause I can't see you
(It was a perfect illusion)
But I feel you watchin' me
Dilated' falling free
In a modern ecstasy

Where are you'
Cause I can't see you
(It was a perfect illusion)
But I feel you watchin' me
But I feel you watchin' me
(Illusion)
But I feel you watchin' me
(Mistaken for love)

Where were you,
Cause I can't see
But I feel you watchin' me
(Mistaken for love)

Dilated' falling free
In a modern ecstasy

(Mistaken for love)
In a modern ecstasy
In a modern ecstasy

I'm over the show
Yeah at least now I know

It wasn't love, it wasn't love
It was a perfect illusion (perfect illusion)
Mistaken for love, it wasn't love
It was a perfect illusion (perfect illusion)
You were a perfect illusion
You were a perfect illusion

It was a perfect illusion
Somewhere in all the confusion
It was a perfect illusion (perfect illusion)

Where were you ,cause I can't see it
It was perfect illusion
But I feel you watchin' me, baby
Somewhere in all the confusion
Dilated, fallin' free
You were so perfect
In a modern ecstasy
You were a, you were a

Perfect Illusion

Million Reasons

You're giving me a million reasons to let you go
You're giving me a million reasons to quit the show
You're giving me a million reasons, give me a million reasons
Giving me a million reasons, about a million reasons

If I had a highway I would run for the hills
If you could find a dry way I'd forever be still
But you're giving me a million reasons, give me a million reasons
Giving me a million reasons, about a million reasons

I bow down to pray
I try to make the worst seem better
Lord, show me the way
To cut through all his worn out leather

I've got a hundred million reasons to walk away
But baby, I just need one good one to stay
Head stuck in a cycle, I look off and I stare
It's like that I've stopped breathing but completely aware
'Cause you're giving me a million reasons, give me a million reasons
Giving me a million reasons, about a million reasons

And if you say something that you might even mean
It's hard to even fathom, how much I should believe
'Cause you're giving me a million reasons, give me a million reasons
Giving me a million reasons, about a million reasons

I bow down to pray
I try to make the worst seem better
Lord, show me the way
To cut through all his worn out leather

I've got a hundred million reasons to walk away
But baby, I just need one good one to stay

Hey, eh, eh, eyy
Baby I'm bleedin', bleedin'
Stay, eh, eh
Can't you give me what I'm needin', needin'
Every heartbreak makes it hard to keep the faith
But baby, I just need one good one, good one, good one,
good one

I bow down to pray
I try to make the worst seem better
Lord, show me the way
To cut through all his worn out leather

I've got a hundred million reasons to walk away
But baby, I just need one good one, good one
Tell me that you'll be the good one, good one
Baby, I just need one good one to stay.
