

This architectural floor plan depicts a multi-functional building layout. The plan is oriented with a north arrow pointing towards the top-left corner. The building's footprint is irregular, with several wings and courtyards.

- Top Wing (North):** Contains a large conference room with a long table and chairs, a smaller meeting room, and a reception area. A staircase is located near the center of this wing.
- Central Core:** A large, open-plan area with a central staircase and a large circular space, possibly a atrium or a common area. It is surrounded by various offices and smaller meeting rooms.
- Bottom Wing (South):** Features a large cafeteria or dining hall with round tables and chairs. Adjacent to it is a library or study area with long tables and bookshelves. A large indoor plant is situated in the center of this wing.
- Left Wing (West):** Includes a large conference room, a meeting room, and a reception area. A staircase is located near the center of this wing.
- Right Wing (East):** Contains a large conference room, a meeting room, and a reception area. A staircase is located near the center of this wing.
- Landscaping:** The plan includes several outdoor spaces with trees, shrubs, and a central courtyard. A large tree is located in the bottom-left corner, and a smaller tree is in the bottom-right corner. A central courtyard is located between the top and bottom wings.
- Stairs:** There are four main staircases: one in the top wing, one in the central core, one in the bottom wing, and one in the right wing.
- Other Features:** The plan includes various rooms such as offices, meeting rooms, a reception area, a cafeteria, a library, and a central atrium. It also shows furniture like tables, chairs, and bookshelves.
