This illustrated book is intended for all those players and spectators who enjoy the competition of League of Legends, and just like me have enjoyed all these worlds championships over the past decade

The book contains ten chapters corresponding to the annual seasons of each year, highlighting on each page emblematic players, brilliant plays and historical moments that will forever be recorded in esports.

Este álbum ilustrado va dirigido para todos aquellos jugadores y espectadores que disfrutan de la competición de League of Legends, y que como yo, han vivido y disfrutado los mundiales del videojuego en esta última década.

El libro contiene diez capítulos que corresponden a las temporadas anuales y a los respectivos mundiales de cada año, destacando en cada página a jugadores emblemáticos, jugadas brillantes y momentos históricos que serán recordados por siempre en los deportes electrónicos.

A close-up, red-tinted photograph of a person's hand holding a pen over a document. The document features the word "signature" written in a cursive, black ink script. The background is a textured, reddish-brown surface. Two thin white arrows point downwards from the top left towards the bottom right, highlighting the word "signature".

A close-up, low-angle shot of a dark red brick wall. A large, stylized white spray-painted tag dominates the center. The tag consists of three main letters: 'G' at the top, 'A' in the middle, and 'N' at the bottom. The 'G' is a bold, blocky shape. The 'A' is a more fluid, rounded design. The 'N' is a smaller, slanted shape. The spray paint has a textured, slightly uneven appearance. The background is filled with the dark red color of the surrounding bricks, creating a strong contrast with the white tag.
