MUNDOS

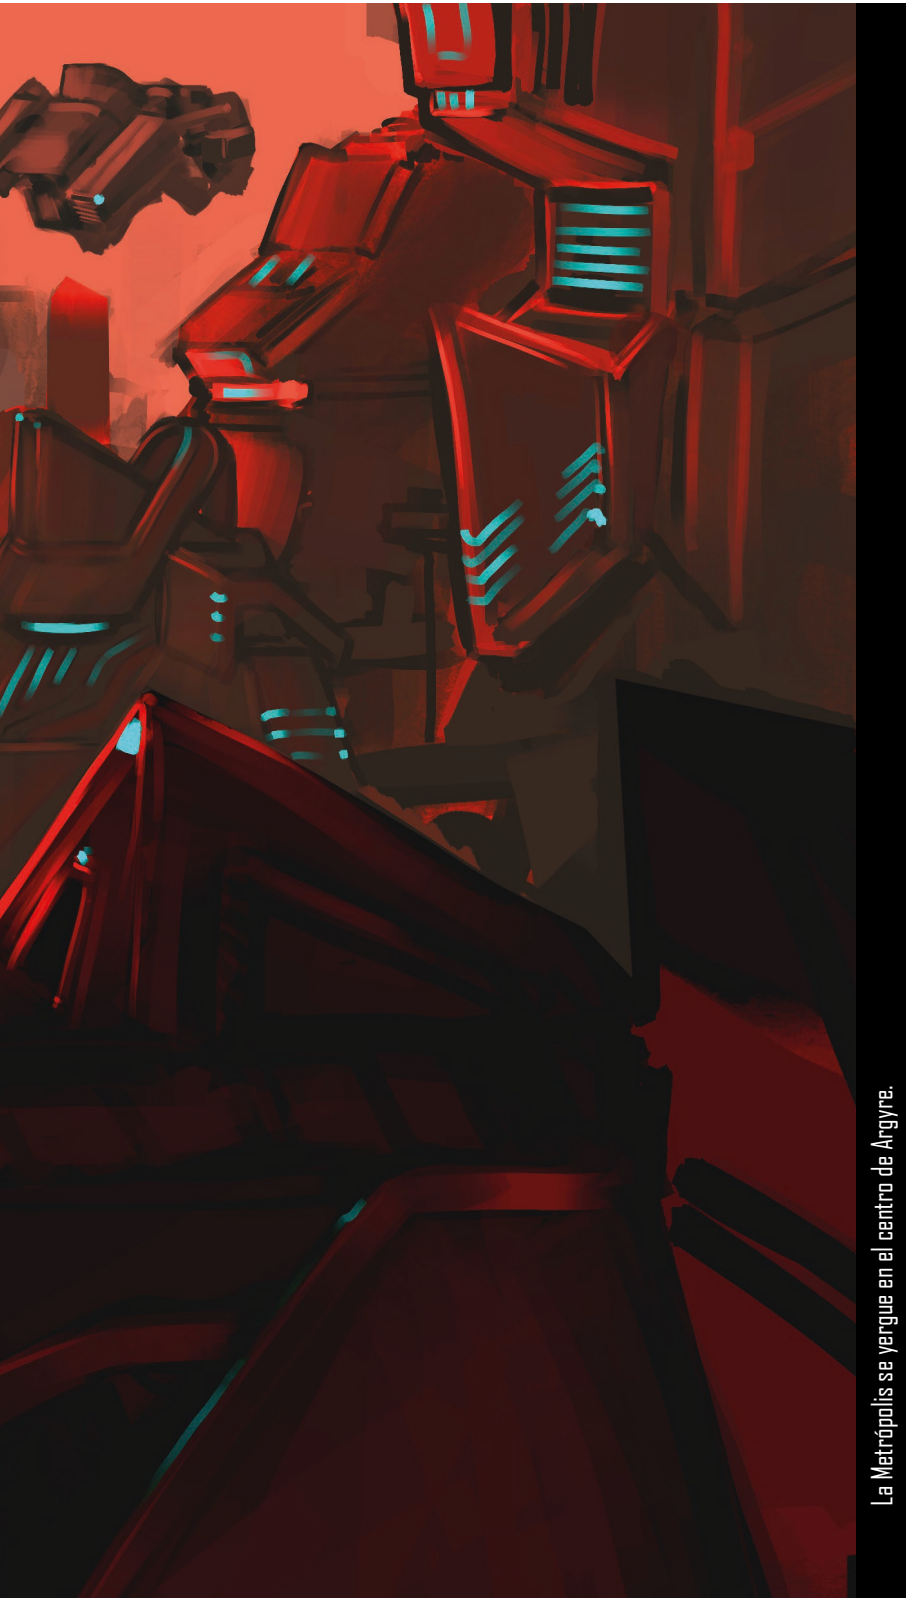

ARES

El planeta rojo

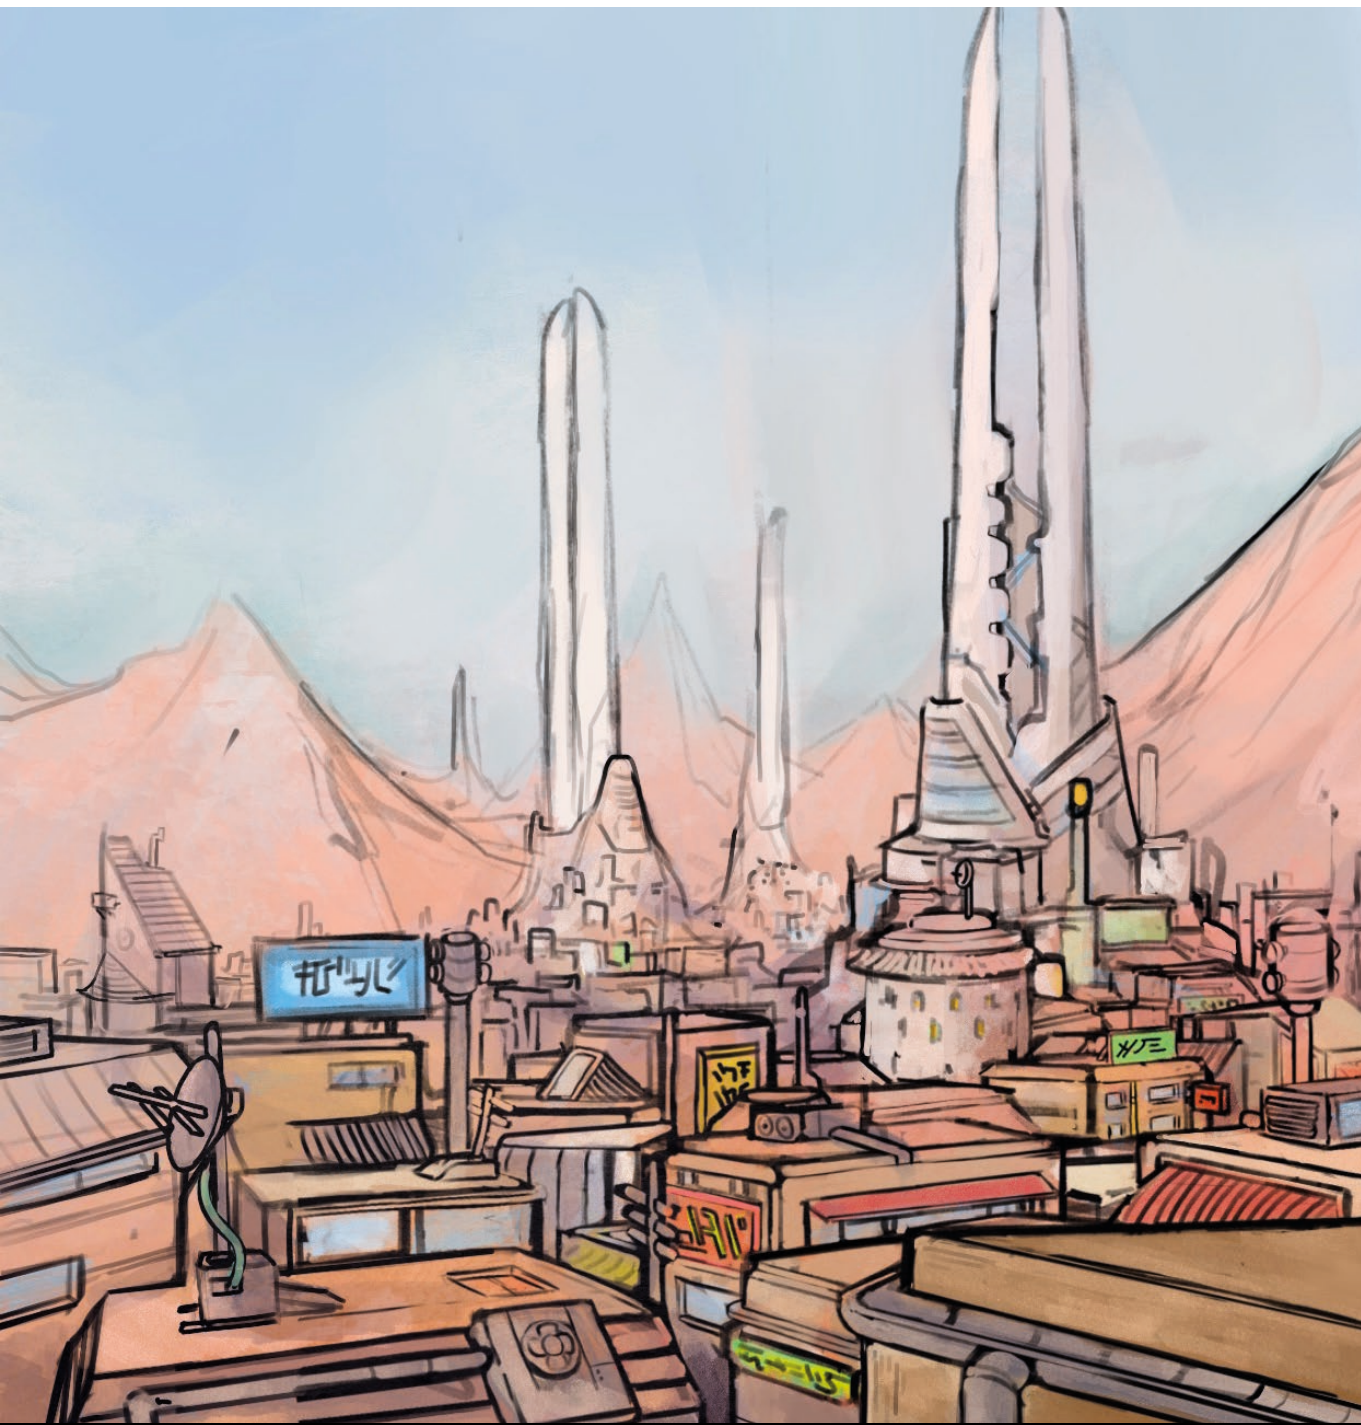

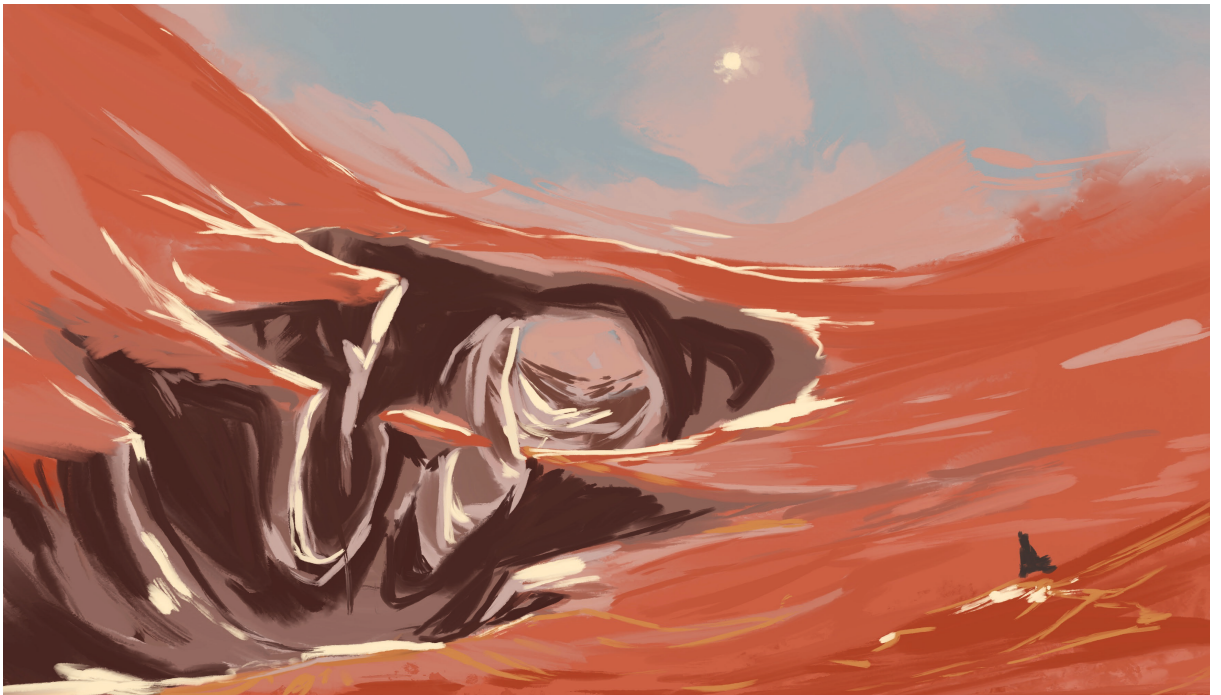

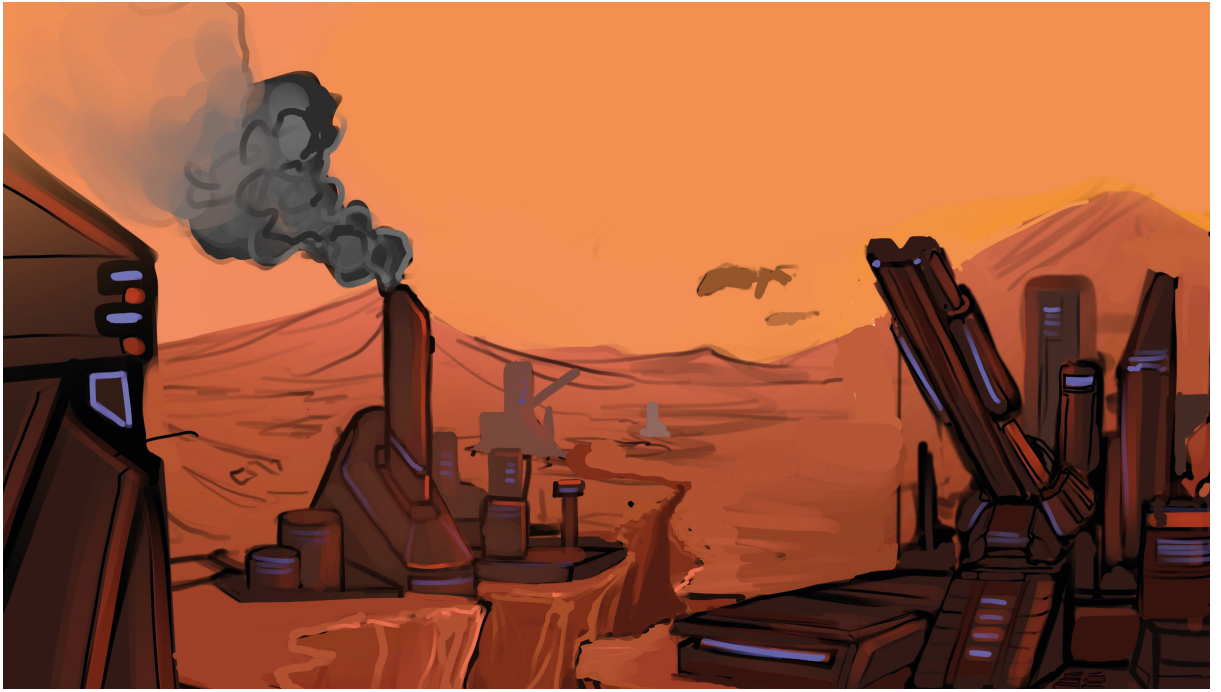

La Metrópolis se yergue en el centro de Argyre.

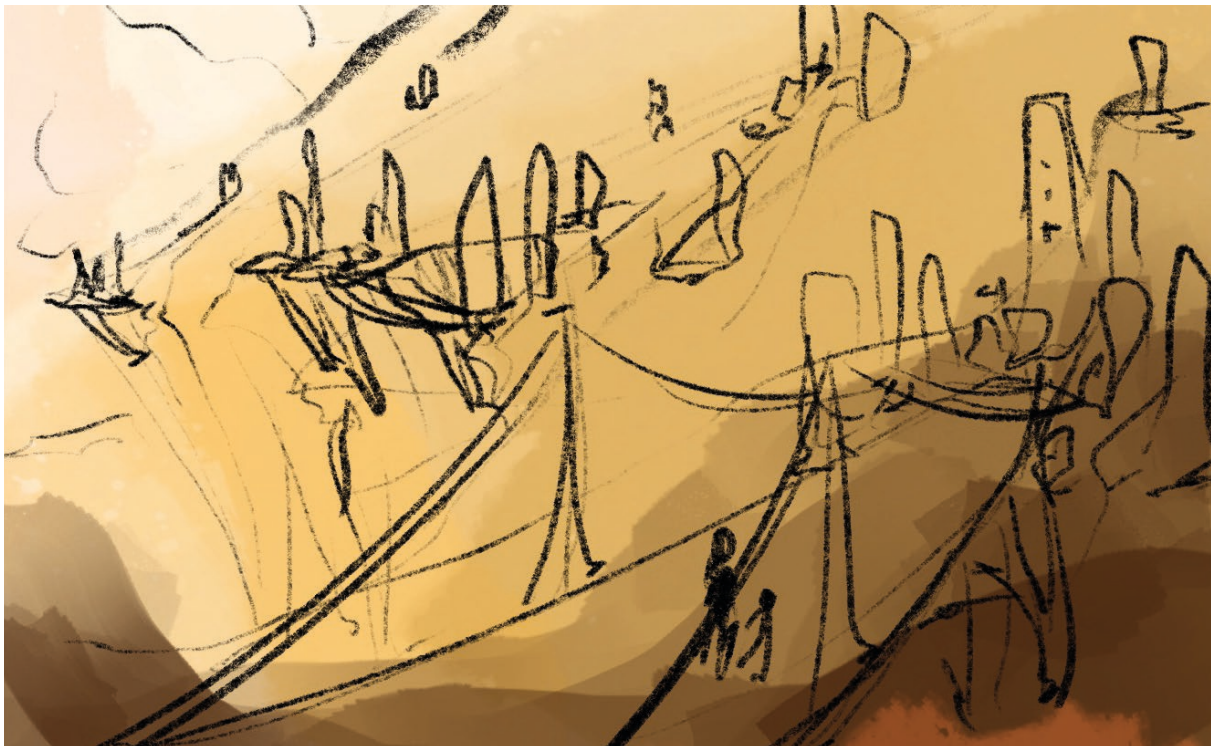

La pequeña ciudad minera G22.

Un mundo inerte, esperando a ser habitado.

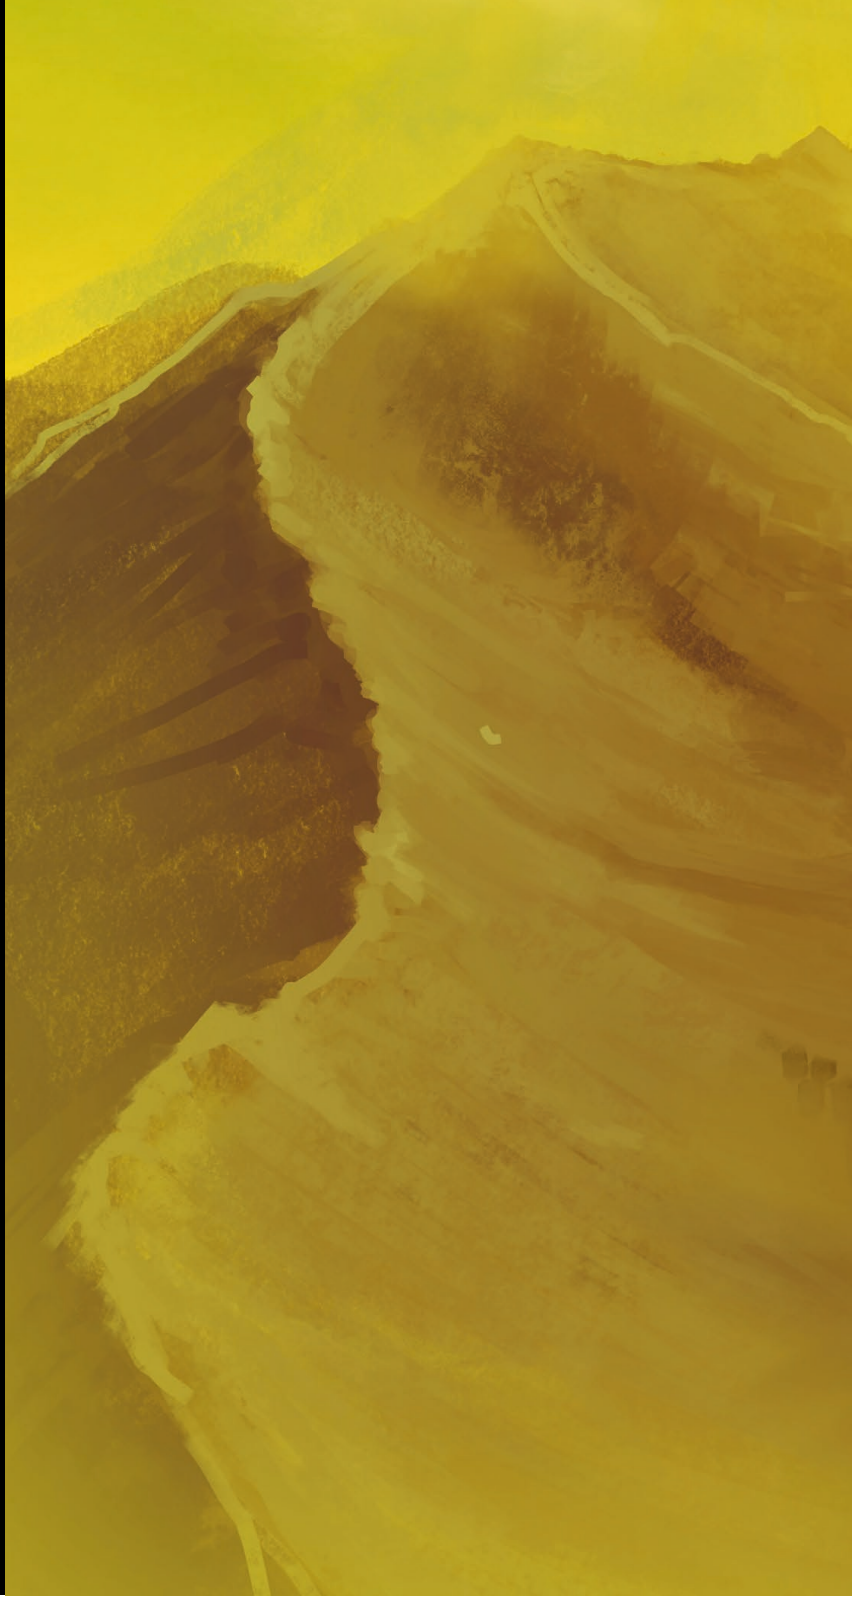

SEPHONE

Nuevo vergel

Las primeras ciudades crecieron junto a los árboles.

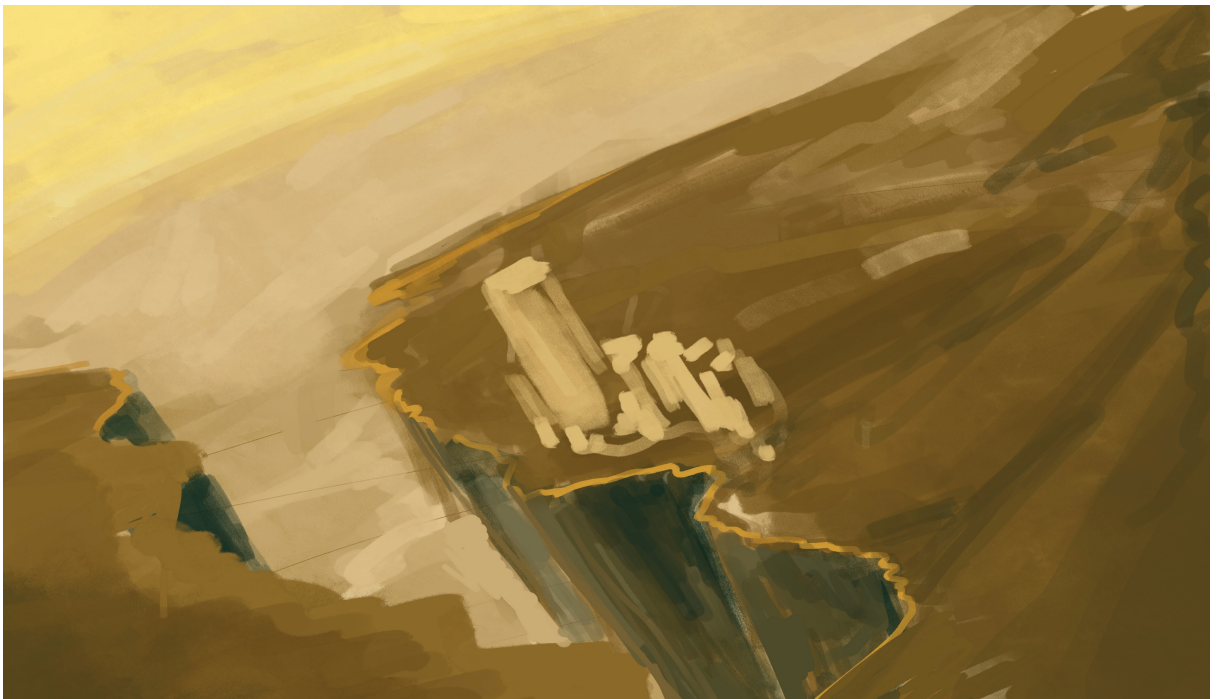

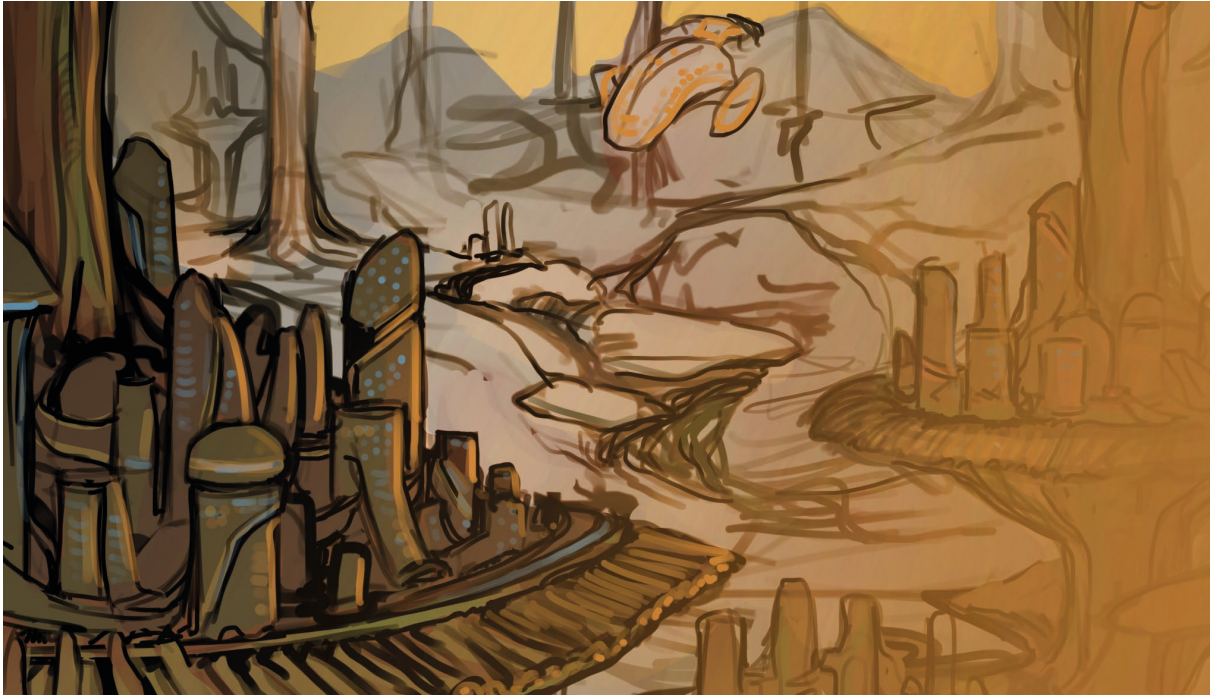

La vida en Sephone comenzaba a brotar del suelo.

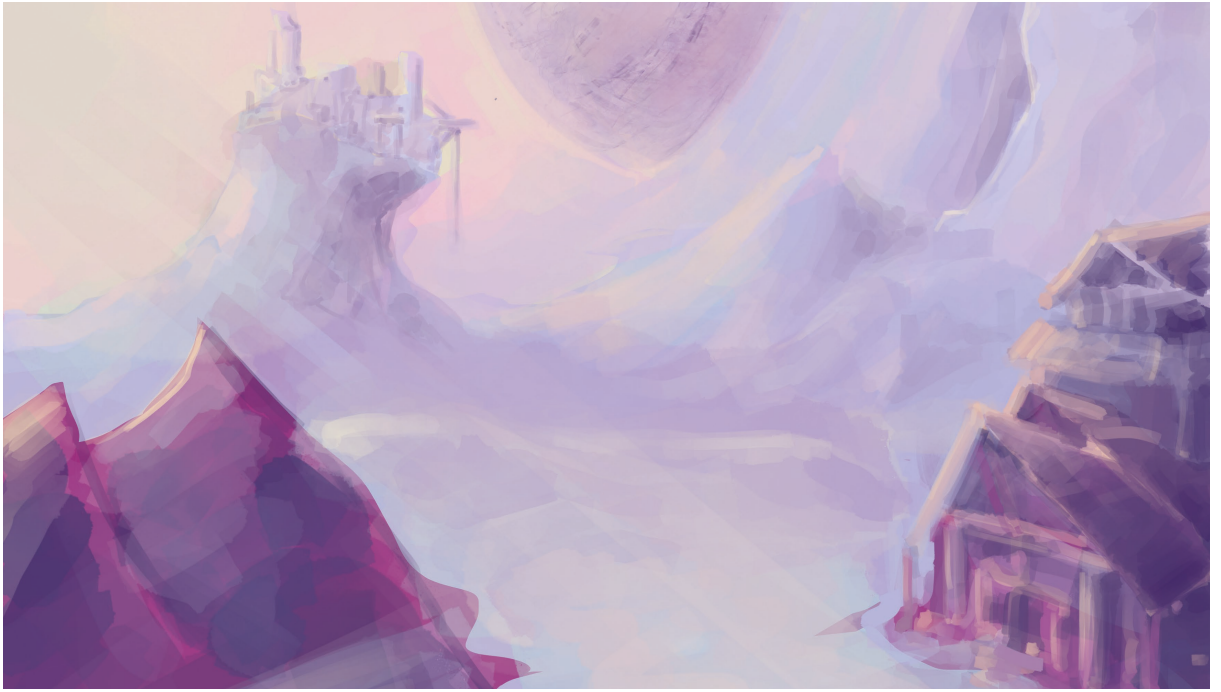

Allá donde hubiera humanos, habría conflicto.

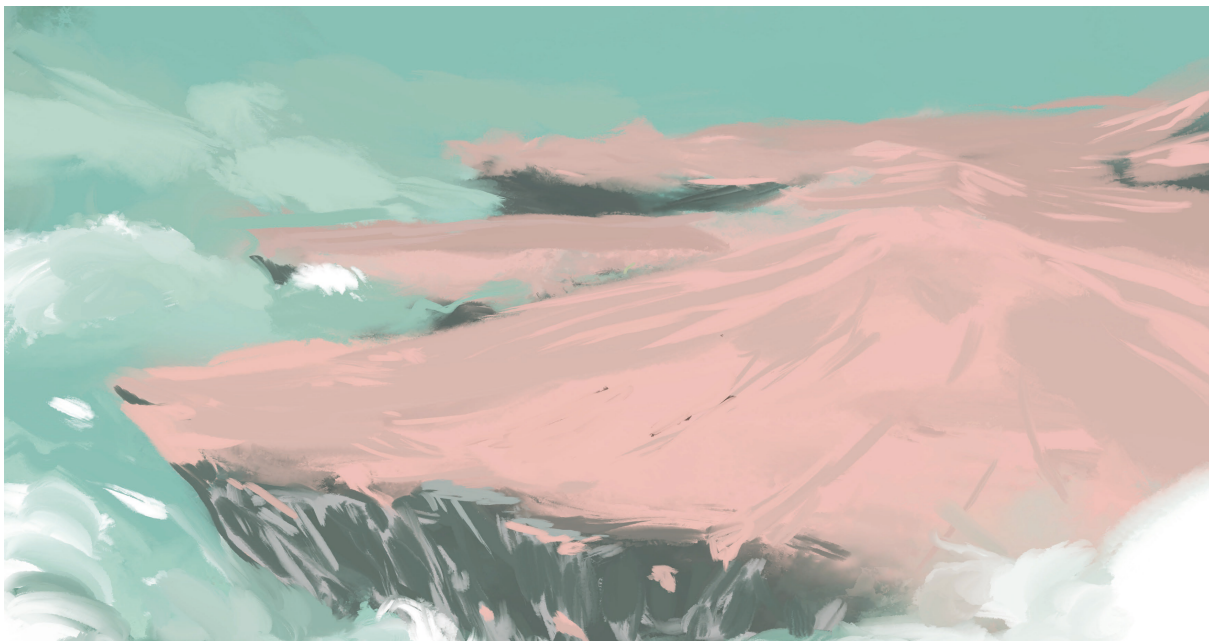

TERRA

Sepultada en hielo

El hielo reina sobre la superficie de un planeta abandonado.

PERSONAJES

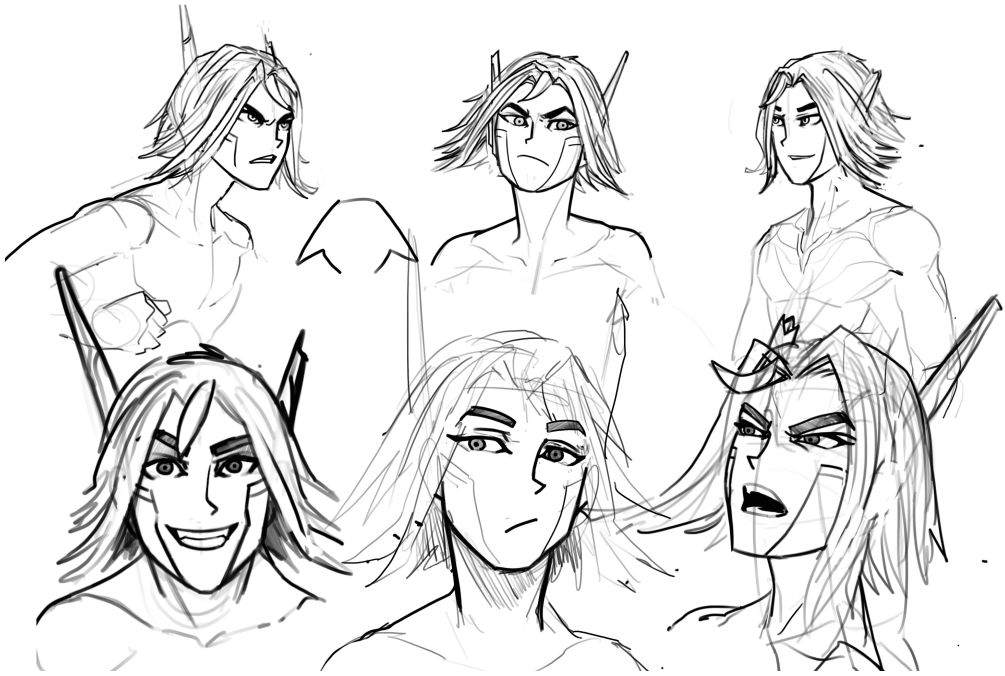

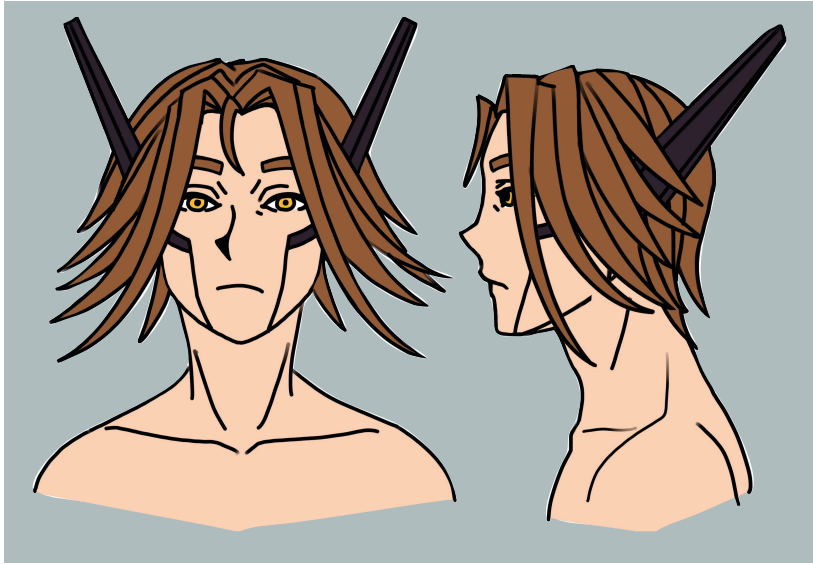

ASTRO

Estrella Fugaz

Estilo cyborg.

Astro, el androide caído del cielo.

Un cuerpo como ese combina con todo.

GALEAN

Mecánica Local

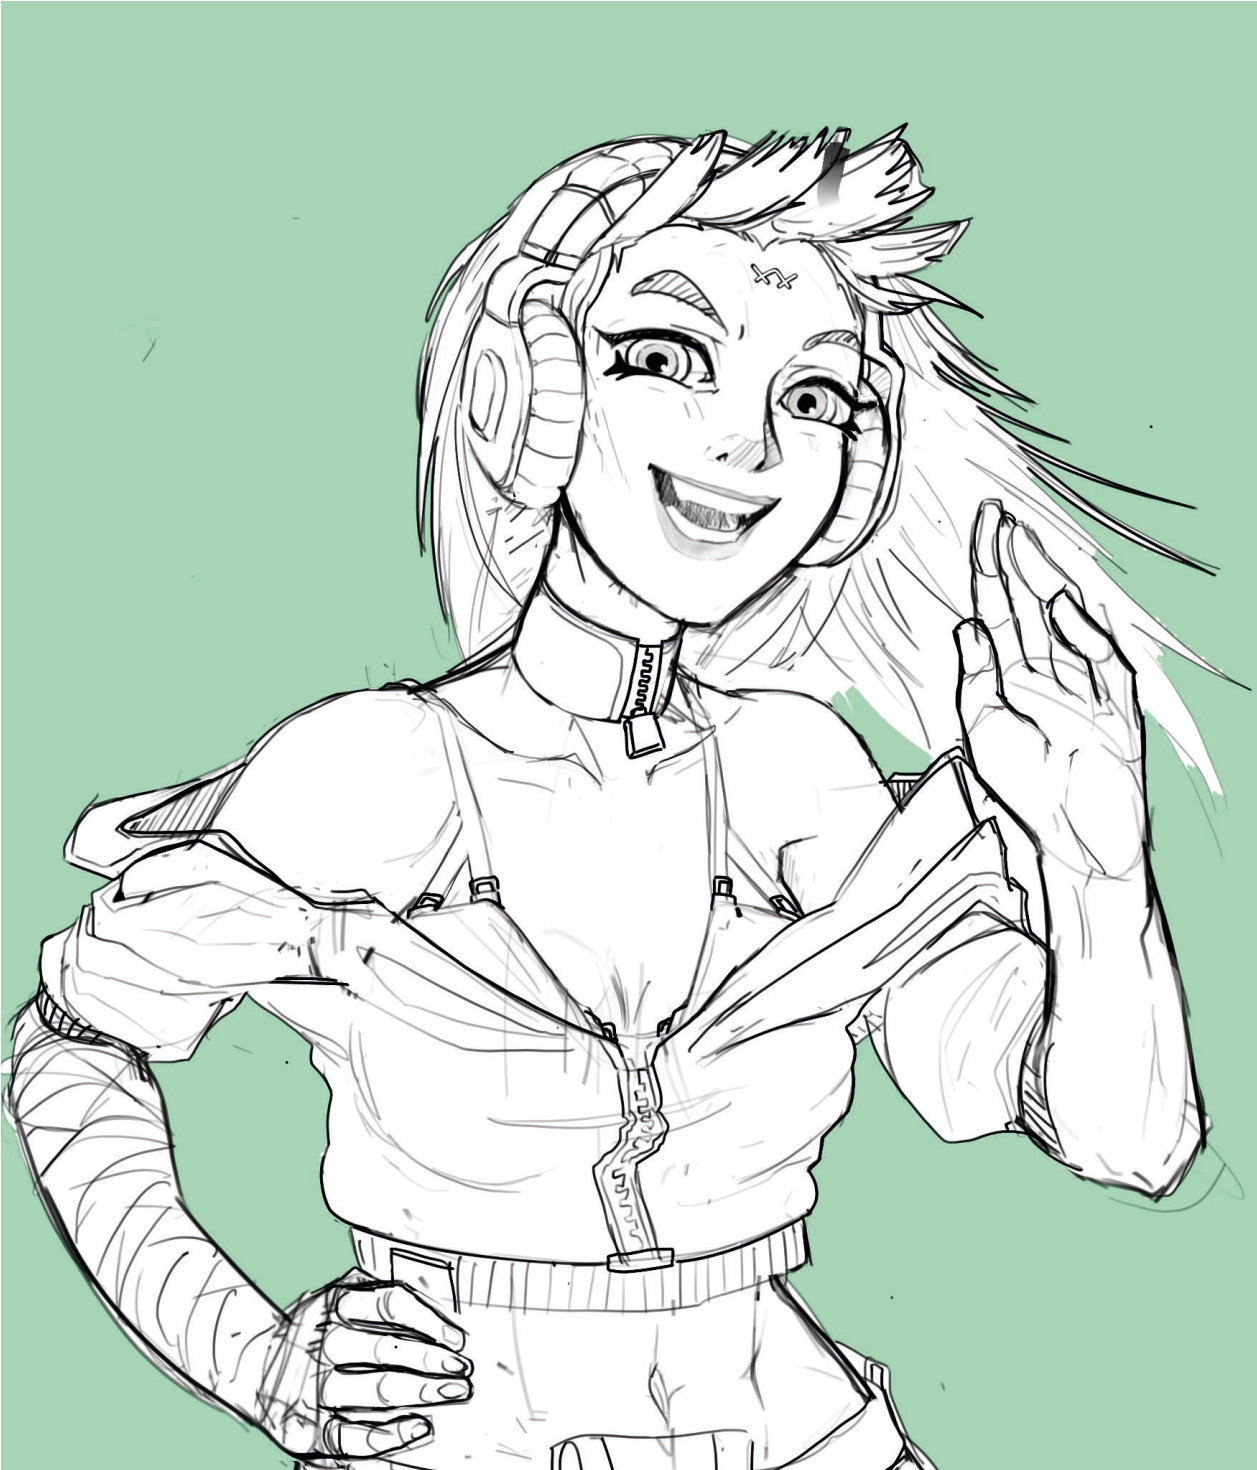

Llaves para cualquier tuerca.

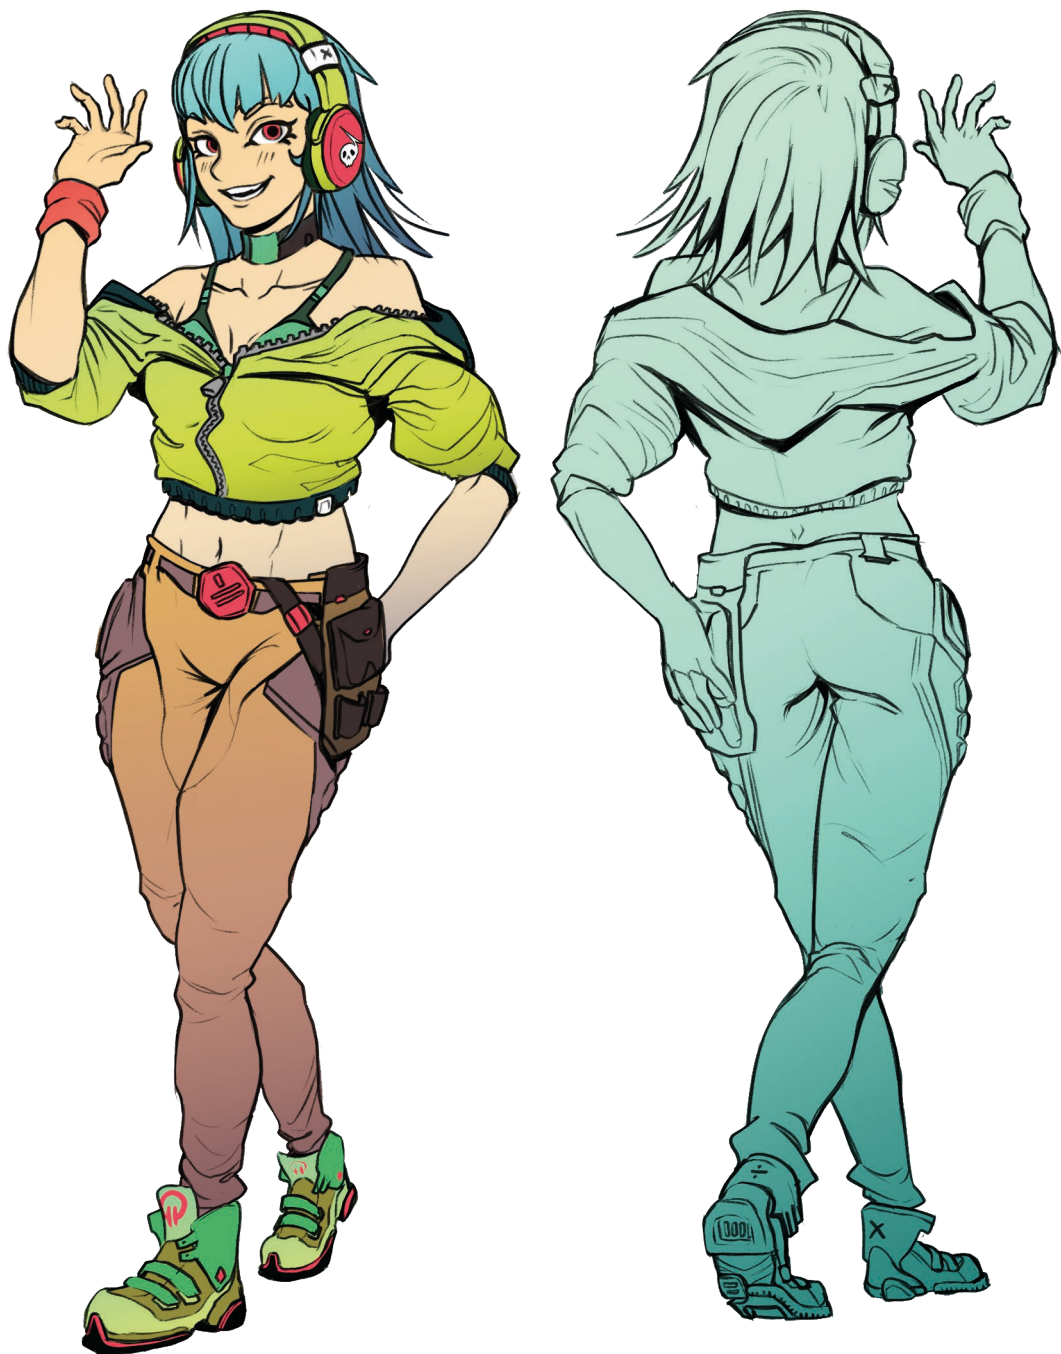

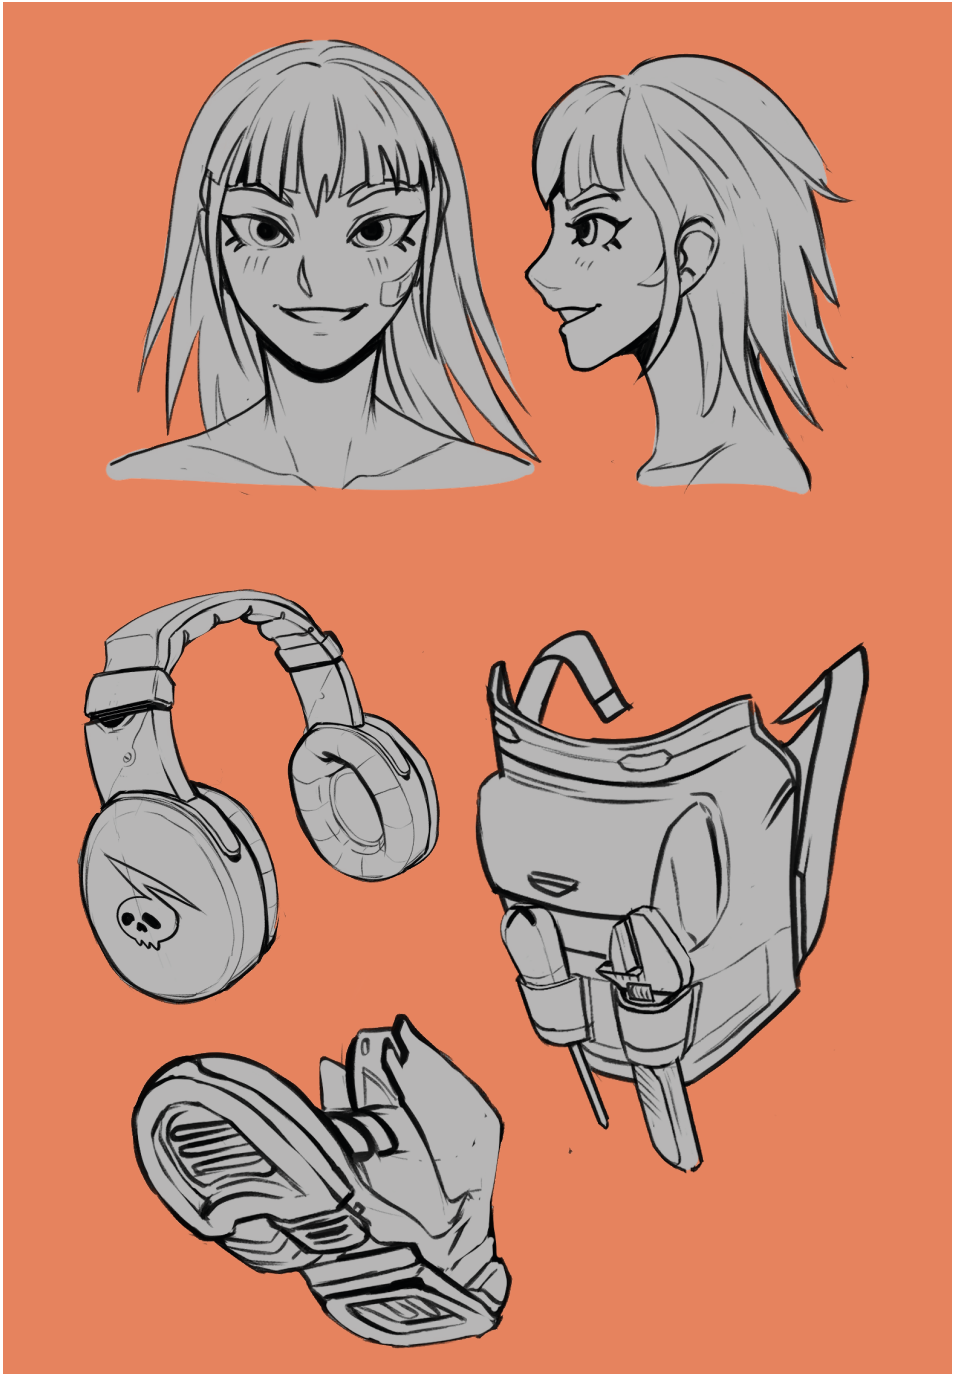

'No te preocupes por el brazo y posa para la foto'

Galean, la mecánica sin extensiones.

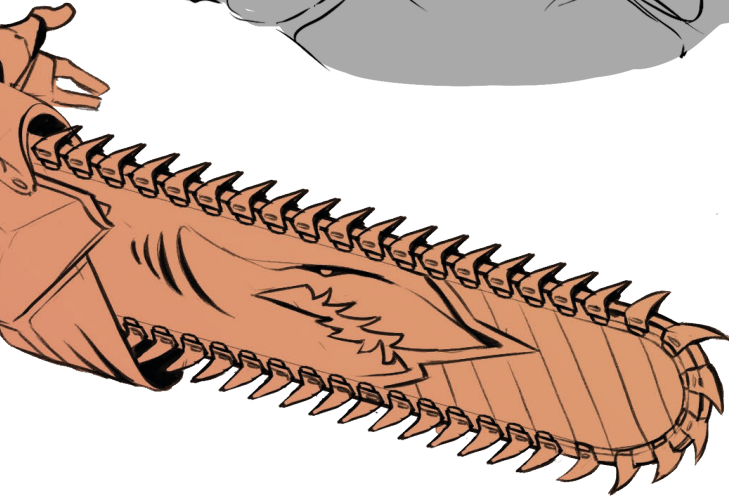

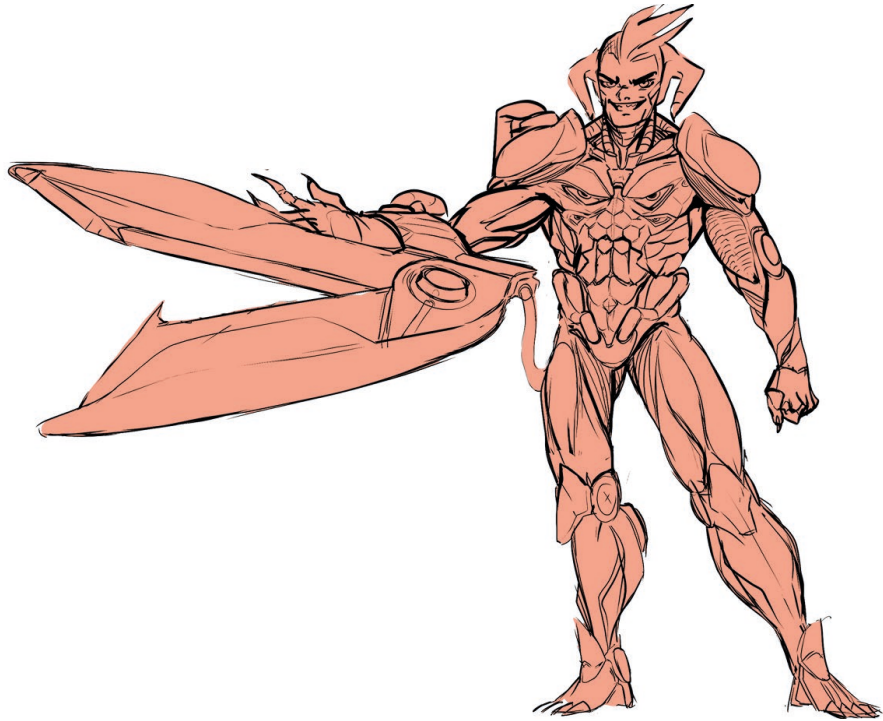

El inventario de una humilde mecánica.

CAROS

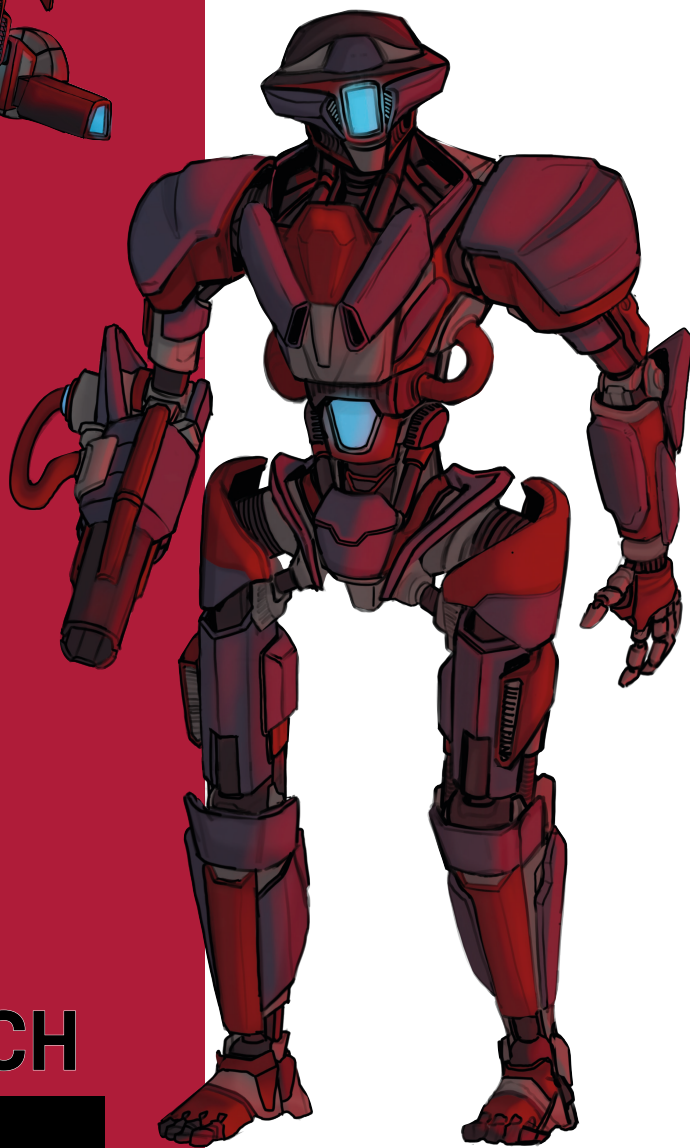

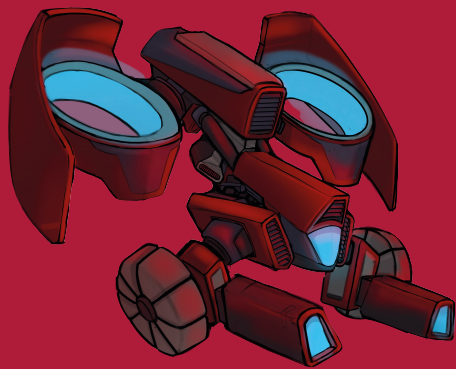

Duelista cyborg

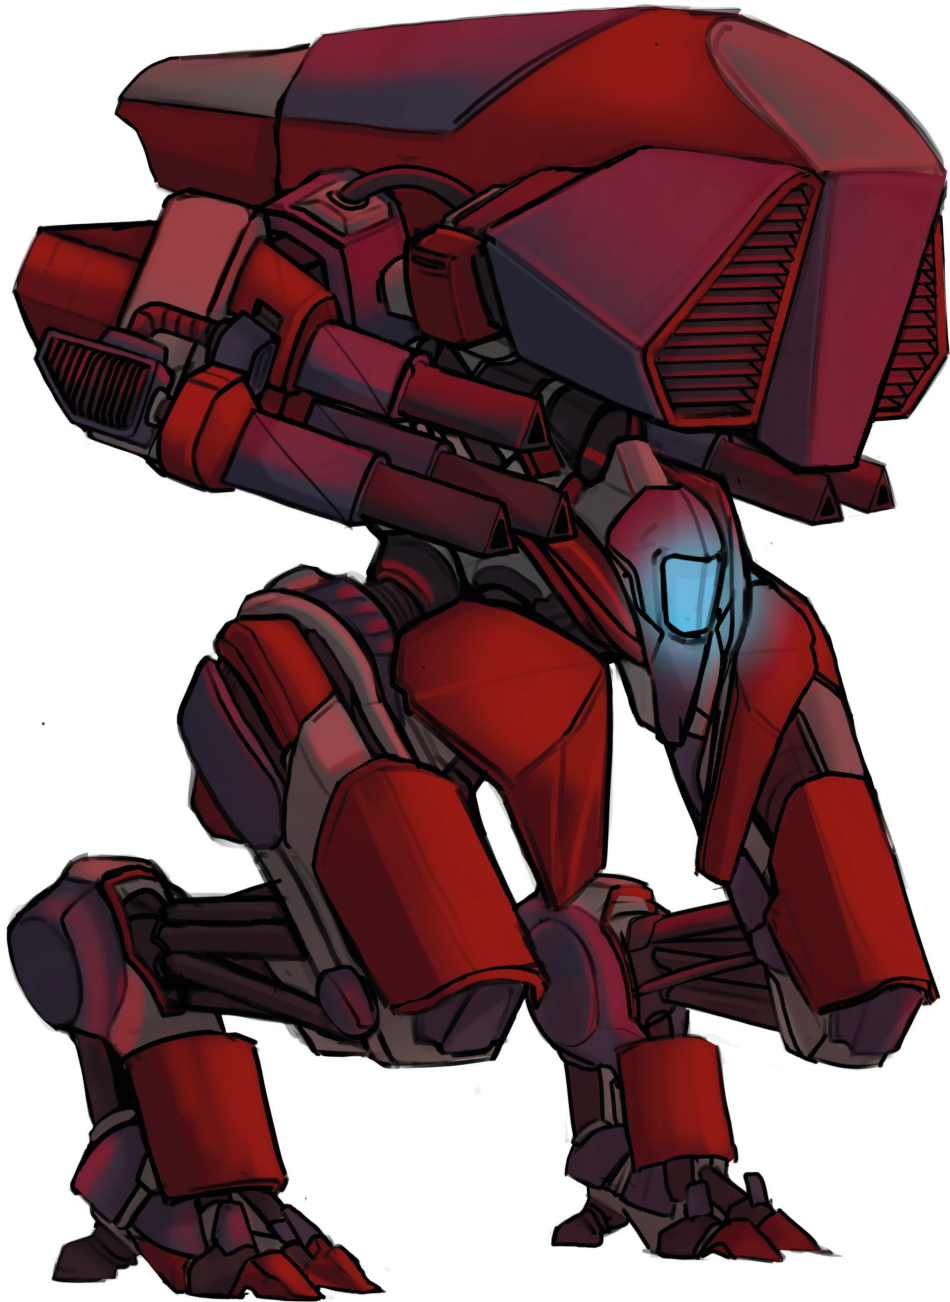

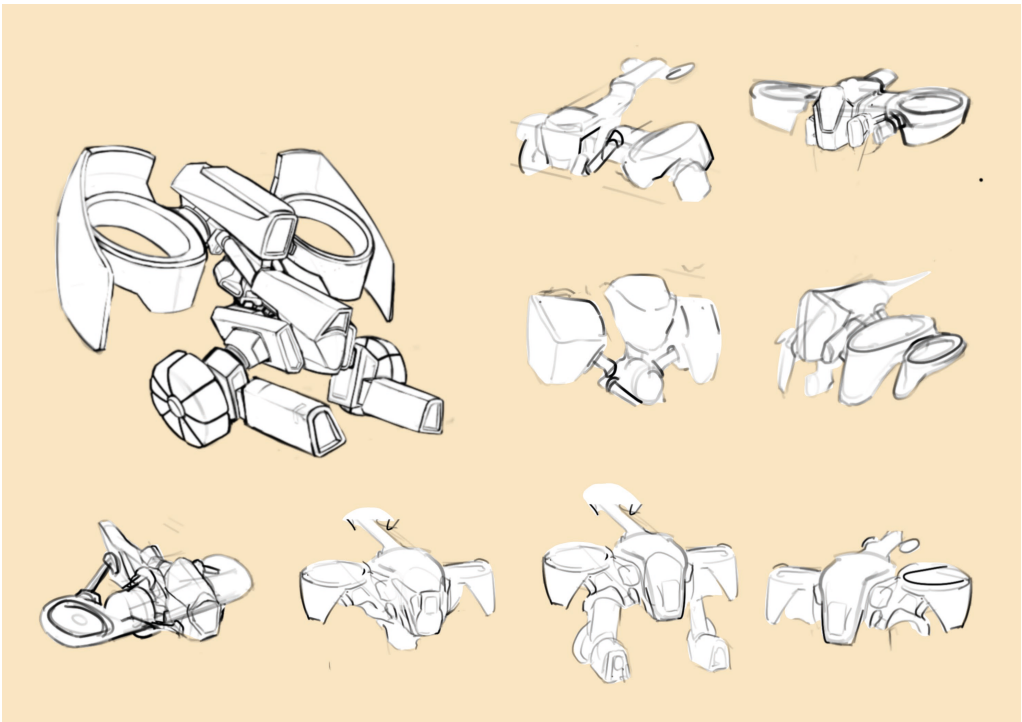

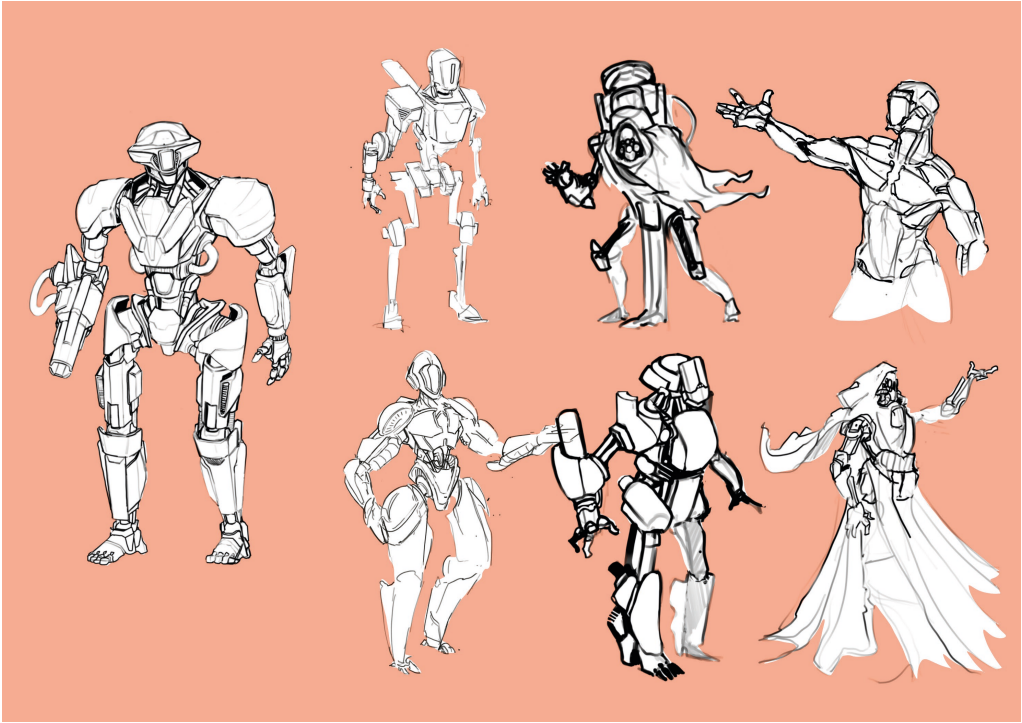

El cuerpo de un humano nacido para el combate.

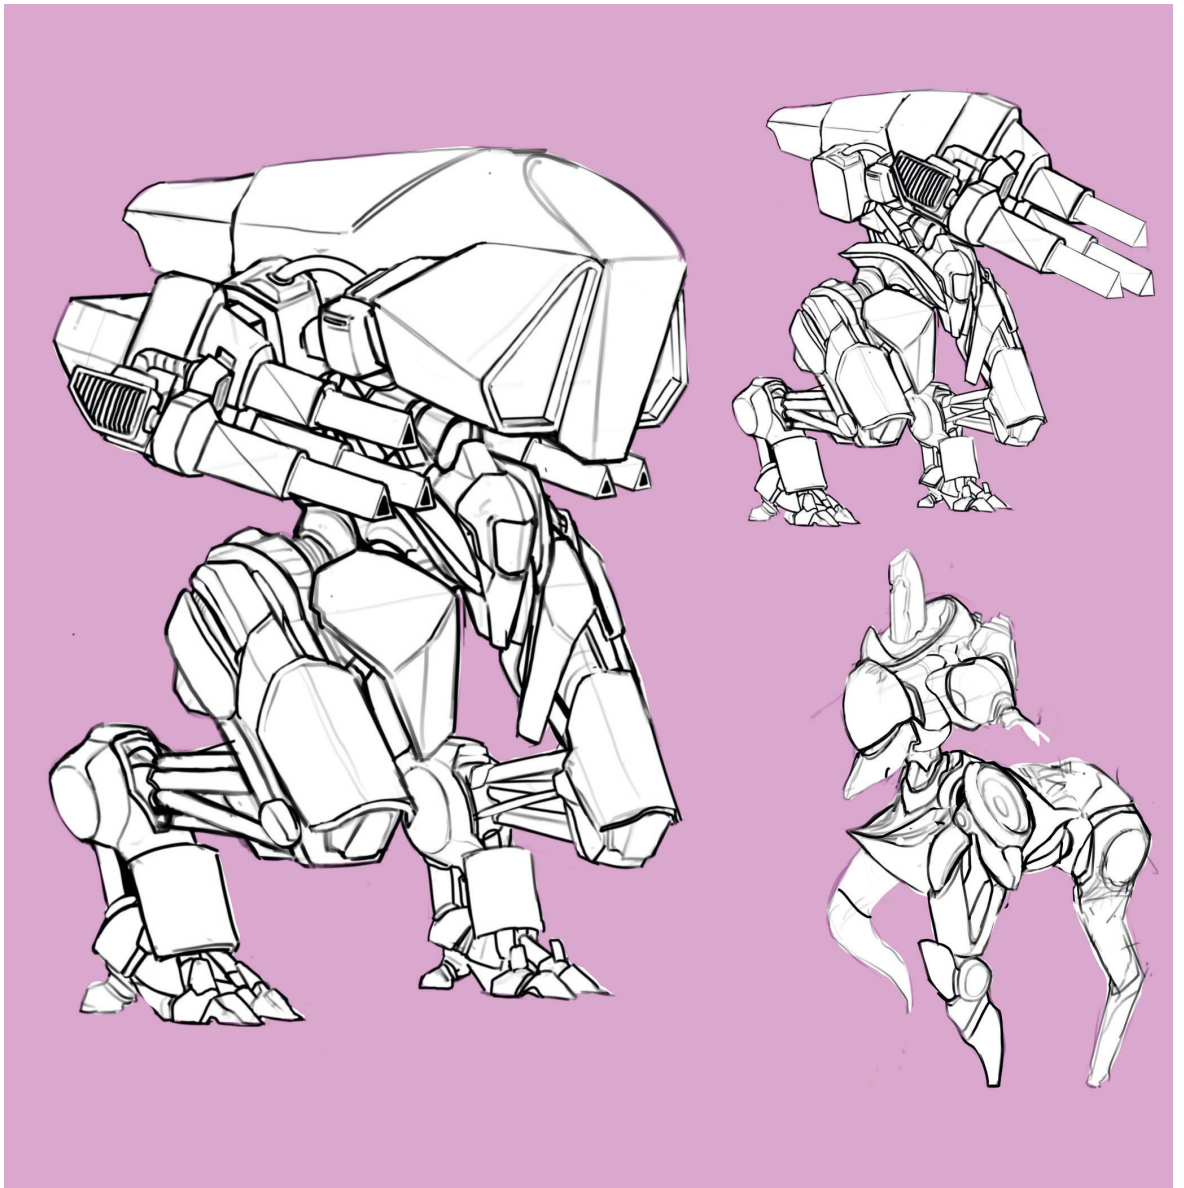

MARSTECH

Autómatas

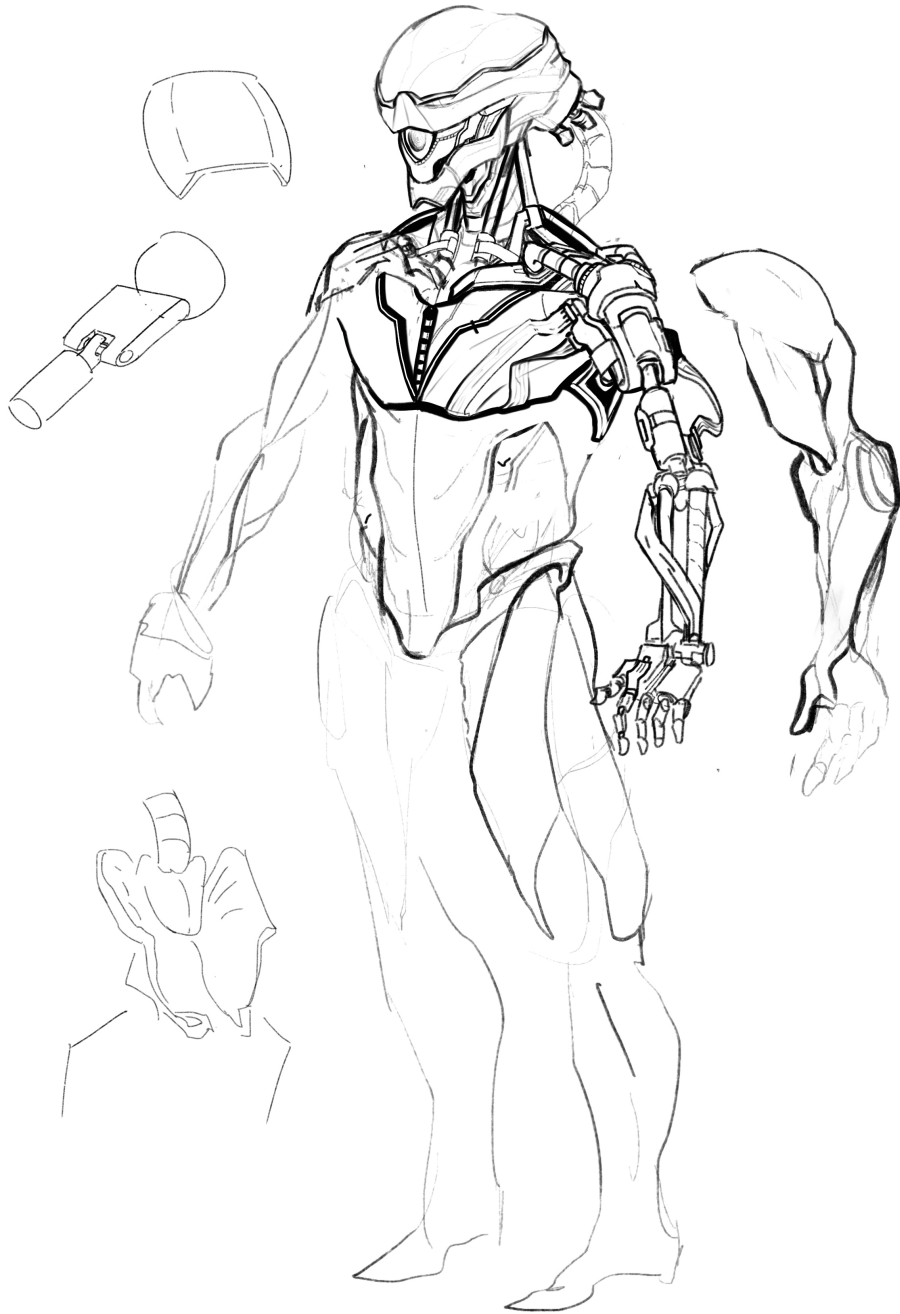

Los autómatas llevan acabo diversas tareas de seguridad en G22.

EXTRAS

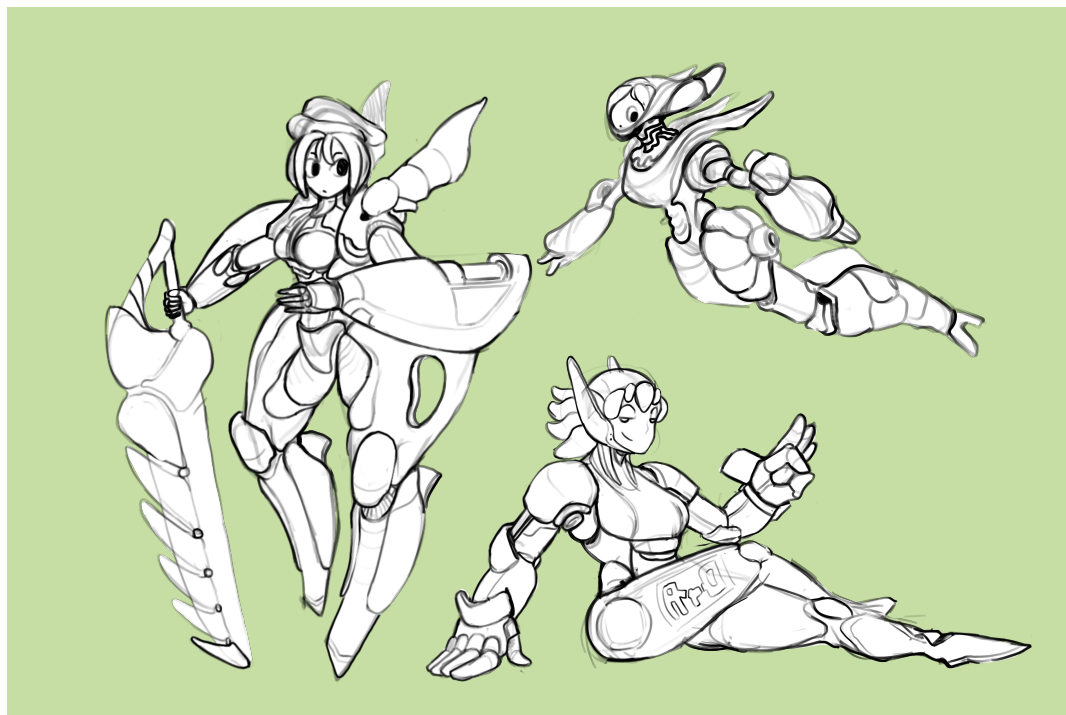

Futuras referencias

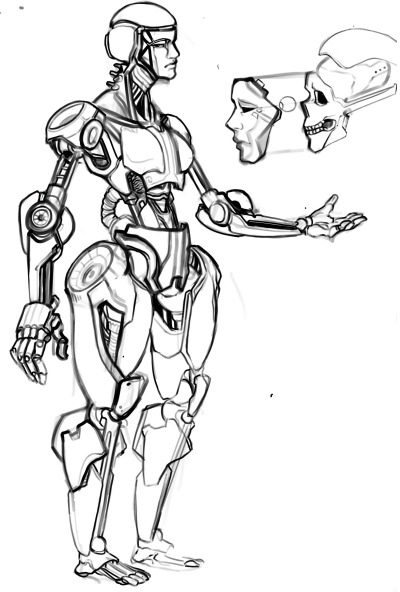

La replicación anatómica alcanza niveles de similitud elevados.

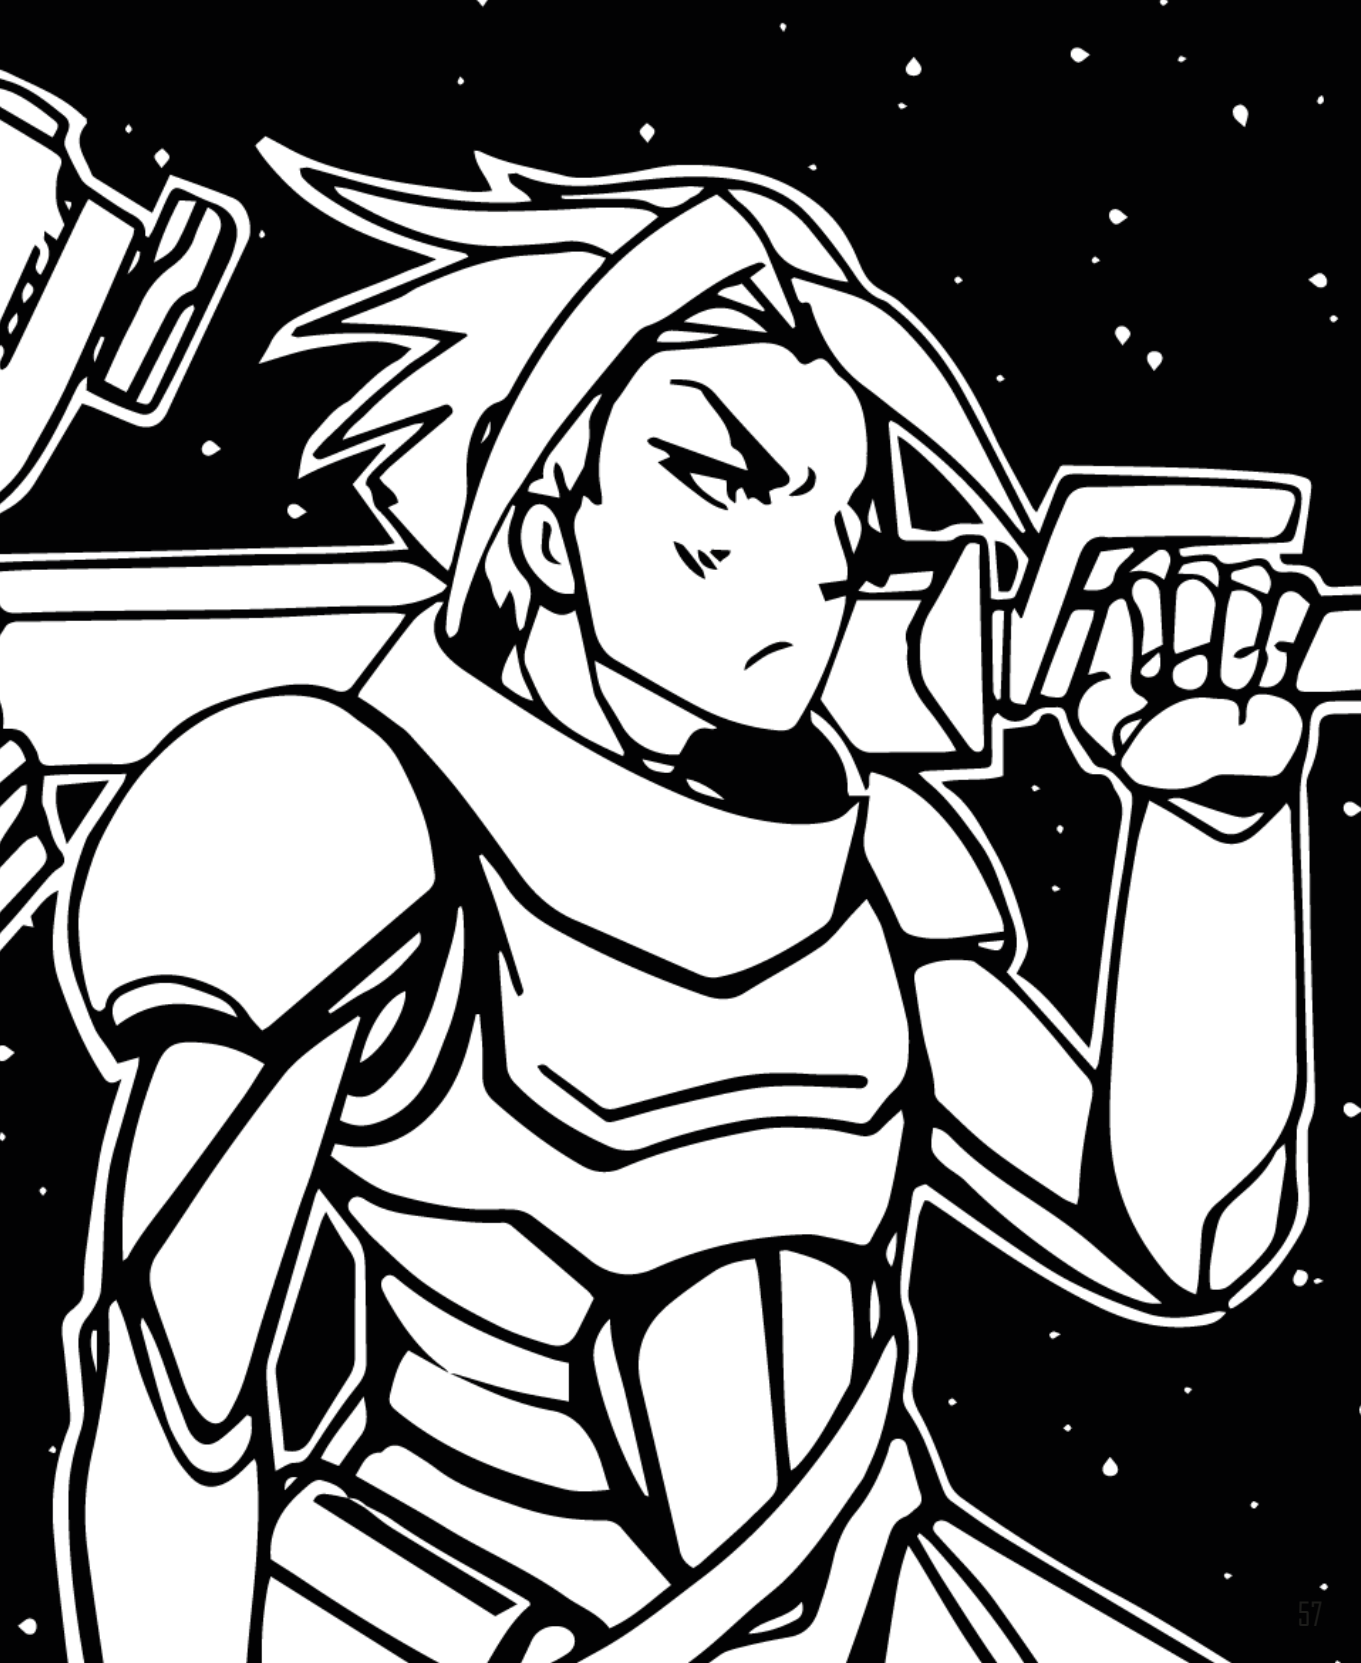

GRÁFICOS

LOGOS

Compañías

HOGAR

The logo for HOGAR features the word "HOGAR" in a bold, black, sans-serif font. The letter "O" is replaced by a stylized globe showing the Americas. A long, white arrow with a black outline and a black arrowhead points from the globe to the right, passing through the rest of the word.

HERMES
INTERPLANETARY LOGISTICS

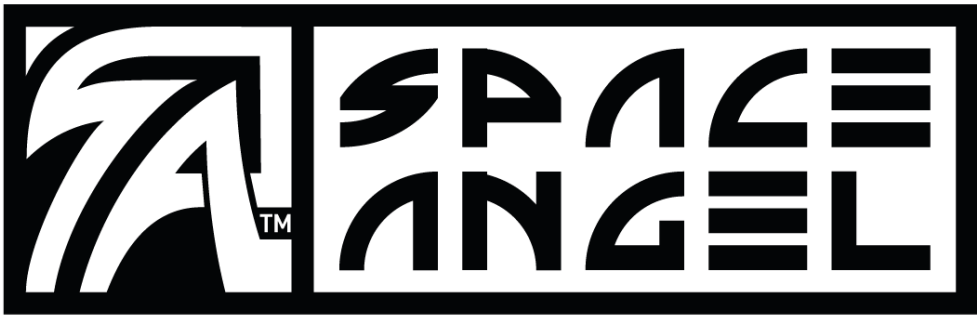

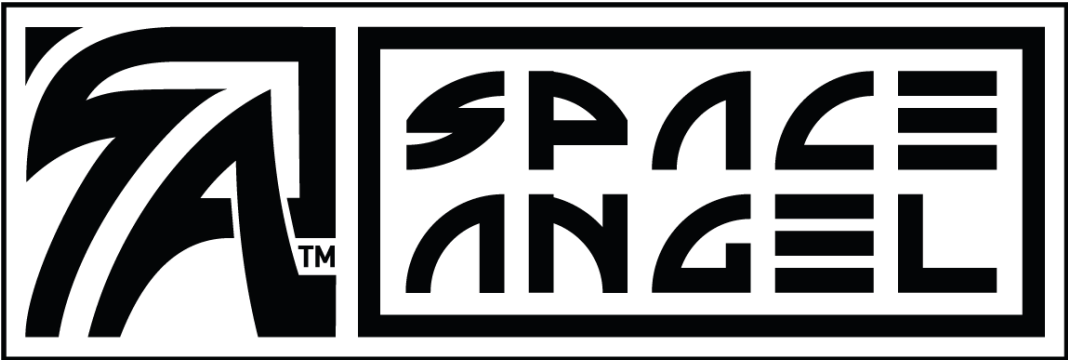

The logo for HERMES features the word "HERMES" in a bold, orange, sans-serif font with a purple outline. To the right of the text is a stylized illustration of a winged foot wearing a brown sandal. Below "HERMES" is the text "INTERPLANETARY LOGISTICS" in a smaller, purple, sans-serif font.

R111

LOGOS

Space Angel

A stylized, high-contrast graphic of a person's eye and hair, rendered in black and white. The eye is looking towards the right, and the hair is depicted with sharp, pointed strands.

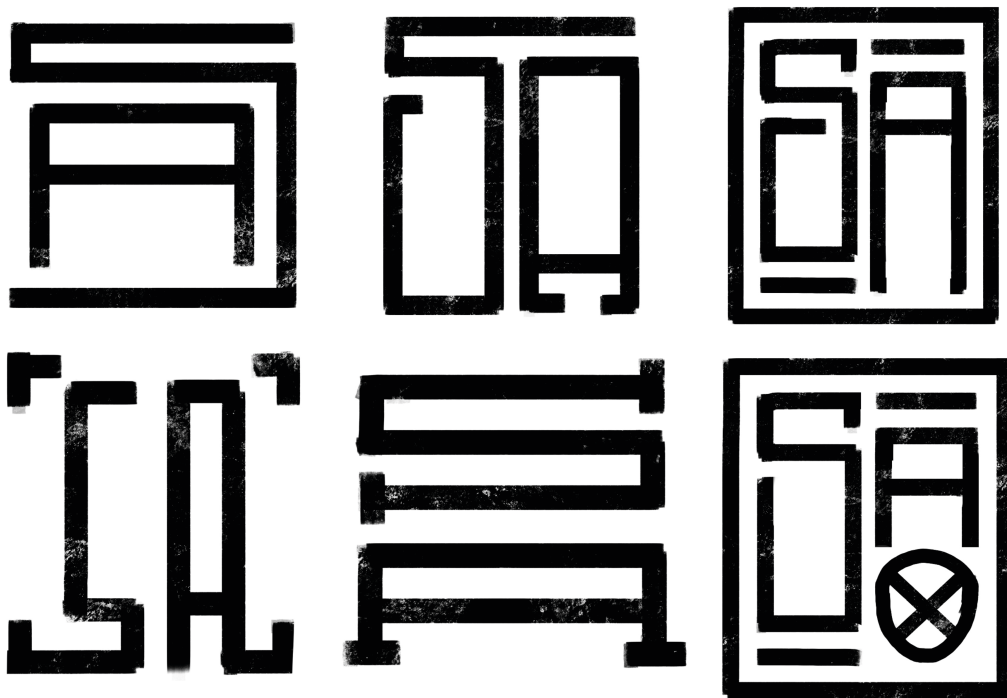

**SPACE
ANGEL**

A detailed line drawing of a winged figure, possibly an angel or a dragon, shown in profile. The wings are spread wide, and the figure is positioned horizontally across the text.
