Renovation of Moldevej 29-39, 7100 Vejle
Client: Jørgen Nielsen, Arc. Investment Ltd.

We are writing to you because we are going to refurbish Moldevej 29-39, and in that respect we would like to get permission to remove the street light, so that we can use crane aid, erect scaffold etc., on the side path.

The time period will be from the beginning of January 2011 to the end of June 2011

With kind regards.
