Strong / not so strong points.

When I do it, I like to do it good.

I usually need more time than I have to do it in the perfect way I would like to.

Ambitions.

Finish my Spanish diploma and get the double titulation; Danish one for open my international education.

Planning your learning.

I try to have time for everything: work, hobbies, personal life.

Working environment.

Working environment is quiet good because you can feel free to do whatever you want at any time, and that helps a lot for making projects. I feel comfortable.

Conclusion.

I think is a very good thing for my future to be studying in VIA for one semester (two if I get the mark of 7 in the final examination)
