RESUMEN	10
RESUM	11
RESUMO	12
ABSTRACT	13
1. INTRODUCCIÓN	16
1.1. Presentación.....	16
1.2. Justificación.....	22
1.3. Principales Fundamentos Teóricos	24
1.3.1. Justicia Epistémica	24
1.3.2. Educación Liberadora.....	27
1.4. Posicionamiento Epistémico.....	35
1.4.1. Perspectiva de género ecosistémica.....	36
1.5. Aproximación Metodológica	38
1.5.1. Objetivo y Preguntas de Investigación	43
1.5.2. Guía de Lectura de los Capítulos	46
1.6. Referencias.....	48
CAPÍTULO 2. From the body to the city: participatory action research with social cartography for transformative education and global citizenship.....	52
2.1. Introduction	52
2.2. Ecofeminist cosmovision of the territory	53
2.3. Towards a transformative pedagogical practice	56
2.4. From the body to the city: an experience of PAR-SC.....	58
2.5. Results	61
2.5.1. The body.....	62
2.5.2. The household	64
2.5.3. The neighbourhood, district and the city.....	64
2.5.4. The planet	67
2.6. Transformative education for global citizenship.....	68
2.7. References	71
CAPÍTULO 3. A Freirean Approach to Epistemic Justice: Contributions of Action Learning to Capabilities for Epistemic Liberation.....	74
3.1. Introduction	74

3.2. Capabilities for Epistemic Liberation.....	75
3.3. Methodology.....	80
3.4. Learnings and Capabilities for Epistemic Liberation.....	84
3.4.1. Capability to Be.....	85
3.4.2. Capability to Do	86
3.4.3. Capability to Learn	88
3.4.4. Capability to Transform.....	90
3.5. Conclusions	91
3.6. References	93
CAPÍTULO 4. "They Take Away What We Are": Contributions of a Participatory Process with Photovoice to the Capabilities for Epistemic Liberation of Young People	96
4.1. Introduction	96
4.2. Towards the epistemic liberation of young people.....	97
4.3. A photovoice experience: "They take away what we are"	101
4.4. Oppressions and capabilities for epistemic liberation	106
4.4.1. The capability to be and ontological oppression.....	106
4.4.2. The capability to do and expressive oppression.....	108
4.4.3. The capability to learn and interpretative oppression.....	111
4.4.4. The capability to transform and epistemological oppression	113
4.5. Letting young people speak out.....	114
4.6. References	117
CAPÍTULO 5. Capabilities for epistemic liberation: the case of hermeneutical insurrection of the Network of Community Researchers in Medellin, Colombia.	120
5.1. Introduction	120
5.2. From hermeneutical marginalisation to epistemic liberation.....	122
