Find your dream job!

Putting data in the hands of researchers with Hivebench

Lab notebook tool Hivebench will be integrated with Mendeley to help researchers enrich and manage their data. Research data is the foundation on which scientific, technical, social and medical knowledge is built. That's why enabling access to, sharing and reuse of data is tremendously valuable to everyone involved in advancing science. Of course, making research [...]

Install the Web Importer

The Web Importer lets you import references and documents from over 30 academic databases.

Descarga la versión de escritorio de Mendeley

Download Mendeley Desktop for Windows

Save time managing PDFs, instantly share thoughts on papers with colleagues and automatically back up and sync your files between different computers.

Latest version for Windows XP or later [See release notes](#)

Let research fall into place

Automatically collate, organise and manage your PDFs using folders, tags, filters and full text search. [More...](#)

Your ideas with your papers

Add highlights and sticky notes inside your PDF as you read them, and privately share them with colleagues. [More...](#)

Generate citations in seconds

Insert references from your research library and generate bibliographies on the fly. [More...](#)
