INDEX OF TABLES 10

1 INTRODUCTION 12

2 FOREIGN LANGUAGE LEARNING 20

2.1 Approaches to foreign language acquisition 21

2.2 Developments in the field of foreign language education 29

2.3 Foreign language learning in the classroom 36

3 AUTONOMY IN LANGUAGE LEARNING 46

3.1 Definition of the term ‘learner autonomy’ 48

3.2 Pedagogical implications derived from the concept of learner autonomy 66

3.3 Autonomy and motivation 72

3.4 Motivation 74

3.5 Motivational components 80

4 LANGUAGE AND CULTURE 86

4.1 Linguistic relativity and how language shapes culture 87

4.2 Relationship between language and culture 93

4.3 Definition of culture and communication in terms of ICC 96

4.4 The importance of ICC in foreign language learning 102

4.5 Categorising cultures for ICC 105

4.6 Dimensions of culture – content included in the thesis ICC course 109

5 ONLINE AND DISTANCE EDUCATION 118

5.1 Theoretical basis of distance education 119

5.2 Developments in technological resources in distance education 129
5.3 Connectivism 139
5.4 The emergence of MOOCs 143
5.5 Issues with distance and online learning 147
5.6 Telecollaborative exchanges and being connected for foreign language learning interaction 150
6 METHODOLOGY 153
6.1 Course design 154
6.2 Participants 155
6.3 Course tools 159
6.4 Google Hangouts 176
6.5 How the course unfolded 179
6.6 Tools to foster reflection 181
7 RESEARCH METHODOLOGY 183
7.1 Theoretical Framework 184
7.2 About the Research Methodology 188
7.3 Data collection 191
7.4 Data analysis methodology 194
7.5 Statistical analysis report 201
8 RESULTS 202
8.1 Results for research question 1 – Linguistic exchange sessions examples 203
8.2 Results for research question 1 – Pre-course questionnaire 208
8.3 Results for research question 1 – Post-course questionnaire 211
8.4 Results for research question 2 – Linguistic exchange sessions examples 215
8.5 Results for research question 2 – Pre-course questionnaire 221

8.6 Result for research question 2 – Post-course questionnaire 223
8.7 Results for research question 3 – Linguistic exchange sessions examples 227
8.8 Results for research question 3 – Pre-course questionnaire 233
8.9 Results for research question 3 – Post-course questionnaire 236
8.10 Students' reflections on their foreign language learning environment – pre- and post-course questionnaire 239
9 CONCLUSIONS 243
9.1 Thesis question 1 246
9.2 Thesis question 2 249
9.3 Thesis question 3 251
9.4 Limitations and future lines of investigation 255
10 ANNEXES 257
10.1 Annex 1 258
10.2 Annex 2 259
10.3 Annex 3 260
10.4 Annex 4 262
10.5 Annex 5 263
10.6 Annex 6 264
11 BIBLIOGRAPHY 265

INDEX OF TABLES

Table 1: Participants and General Information about Students who Enrolled 158
Table 2: Results and Examples from the Language Sessions Relevant to Research Question 1..... 206
Table 3: Results of the Pre-course Questionnaire for Questions which are Relevant to Research Question 1 209
Table 4: Results of the Post-course Questionnaire for Questions which are Relevant to Research Question 1 213
Table 5: Results and Examples from the Language Sessions Relevant to Research Question 2..... 218
Table 6: Results of the Pre-course Questionnaire for Questions which are Relevant to Research Question 2 222
Table 7: Results of the Post-course Questionnaire for Questions which are Relevant to Research Question 2 225
Table 8: Results and Examples from the Language Sessions Relevant to Research Question 3..... 230
Table 9: Results of the Pre-course Questionnaire for Questions which are Relevant to Research Question 3 234
Table 10: Results of the Post-course Questionnaire for Questions which are Relevant to Research Question 3 237
Table 11: Results of the Pre-course Questionnaire in regard to Students' Reflections on their Foreign Language Learning Environment – Both Traditional and Online..... 240
Table 12: Results of the Post-course Questionnaire in regard to Students' Reflections on their Foreign Language Learning Environment – Both Traditional and Online..... 241

INDEX OF FIGURES

Figure 1: Structures of Whorf's agument linking language, the individual and culture (Lucy, 1992b) 90
Figure 2: Stages of distance language learning - Wang and Sun's Four Generational Model (Wang & Sun, 2001:541) 131
Figure 3: Content folders 161
Figure 4: Home page and What's new 163
Figure 5: Course information 164
Figure 6: Journals 168
Figure 7: Tools 172
Figure 8: Help 173
Figure 9: Contact 174
Figure 10: A Google Hangout session 177
Figure 11: Theoretical framework for online foreign language learning 184
Figure 12: The student's autonomous working skills in the online Foreign Language Learning environment 185
Figure 13: Other learners (peer-support) in the online Foreign Language Learning environment 185
Figure 14: The importance of relevance in the online Foreign Language Learning environment 186
Figure 15: Students' understanding of intercultural communication as being relevant to learning foreign languages 186
Figure 16: Motivation and thus non-abandonment, retention and continuity in course because of the interaction and presence of these three areas 187
Figure 17: Flow chart of the research methodology 188
