

The drawing illustrates a sanitary installation for a building. The plan view at the bottom shows a series of rooms, each with a toilet and a sink. The rooms are connected to a central drainage system. The cross-section at the top shows the details of the drainage system, including the floor, walls, and the drainage pipe. The cross-section is labeled with numbers 1 through 10, which correspond to the legend below it.

Legend:

- 1. Solera y formacion de pendientes de hormigon en masa
- 2. Enfoscado con mortero 1:3 y bruñido. Angulos redondeados.
- 3. Losa de hormigon H-25
- 4. Armadura de losa. Ø 8 mm. cada
- 5. Muro de 12cm de espesor de ladrillo macizo con juntas de mortero M-40
- 6. Perfil laminado L 50x5 mm.
