

I couldn't believe that all this was real. I felt to be in a movie. I couldn't imagine that everything I read, saw and heard happened in places like this.

The Jewish ghetto of **Terezin** was another concentration camp else were the prisoners lived the horrors of Holocaust.

ARBEIT MACHT FREI

The bird as a symbol of life. Now people
are not dying there. It's over.

This statue has not name. Every person who visit the place have to put it a name. I prefer don't put name, in commemoration of victims no identified of this tragedy.
