CHAPTER I INTRODUCTION

1. Introducción.....	13
2. Objetivos de la Investigación	14
3. Metodología	16
3.1 Revisión Bibliográfica	17
3.2 Análisis Factorial Exploratorio	17
3.3 Análisis Factorial Confirmatorio.....	18
3.4 Modelado de Ecuaciones Estructurales	18
4. Datos del Estudio y sus Características	19
5. Resúmenes Extendidos de los Artículos	20
5.1 Co-creation Impacts on Student Behavior.....	20
5.2 Co-creation in Undergraduate Engineering Programs: Effects of Communication and Student Participation	21
5.3 Revisión Sistemática de Literatura de las Variables Claves del Proceso de Co-creación en las Instituciones de Educación Superior	22
5.4 The Impact of Co-creation on the Student Satisfaction: Analysis Through Structural Equation Modeling	23
5.5 Co-creation Impacts in Student Loyalty.....	24
5.6 Co-creation at Higher Education Institutions	24

CHAPTER II CO-CREATION IMPACTS ON STUDENT BEHAVIOR

1. Introduction.....	28
2. Methodology	28
3. Findings of the Study.....	29
3.1. The Relationship between Communicative Participation and Co-creation	30
3.2. The Relationship between Co-creation and Satisfaction	31
4. Conclusions	32

CHAPTER III CO-CREATION IN UNDERGRADUATE ENGINEERING PROGRAMS: EFFECTS OF COMMUNICATION AND STUDENT PARTICIPATION

1. Introduction	36
2. Literature Review. Co-creation Generators	38
2.1. Communication and Participation	39
2.2. Participation and Co-creation	39
2.3. Communication and Co-creation	40
3. Sample and Methodology	41
3.1. The Proposed Model	43
4. Empirical Results: The Multivariate Analysis.....	45
4.1. Exploratory Factor Analysis for Instrument Validation.....	45
4.2. Confirmatory Factor Analysis.....	46
4.3. Path Diagram, Model Fit Measures and Mediation.....	47
5. Discussion	50
6. Conclusions and Contributions	51

CHAPTER IV REVISIÓN SISTEMÁTICA DE LITERATURA DE LAS VARIABLES CLAVES DEL PROCESO DE CO-CREACIÓN EN LAS INSTITUCIONES DE EDUCACIÓN SUPERIOR

1. Introducción.....	55
2. Antecedentes Teóricos	56
3. Metodología	57
4. Resultados.....	59
5. Discusión	62
6. Conclusiones	67

CHAPTER V THE IMPACT OF CO-CREATION ON THE STUDENT SATISFACTION: ANALYSIS THROUGH STRUCTURAL EQUATION MODELING

1. Co-creation and the University	72
2. Relationships between Communication, Participation, Co-creation, and Satisfaction.....	73
2.1. Communication vs. Participation.....	73

2.2. Participation vs. Co-Creation	74
2.3. Communication vs. Co-Creation	75
2.4. Co-Creation vs. Satisfaction	76
2.5. The Hypothesized Co-creation Model	77
3. Methodology, Data Collection and Technique	78
3.1. Measures	78
4. Empirical Results: Multivariate Analysis.....	78
4.1. Exploratory Factor Analysis	79
4.2. Confirmatory Factor Analysis.....	80
4.3. The Structural Model.....	82
5. Conclusions and Contributions	84

CHAPTER VI CO-CREATION IMPACTS IN STUDENT LOYALTY

1. Introduction	88
2. Background, Hypothesis and Co-creation Model	88
2.1. Co-creation in Higher Education Institutions	89
2.2. Co-creation and Trust	90
2.3. Trust and loyalty	90
2.4. Co-Creation and Loyalty	91
2.5. Hypothesized Model	92
3. Methodology and Methods	92
3.1. Data Collection	92
3.2. Applied Methods	92
4. Results and Analysis	93
5. Discussion and Conclusions.....	93

CHAPTER VII CO-CREATION AT HIGHER EDUCATION INSTITUTIONS

1. Introduction	97
2. The Proposed Model	97

2.1 The Relationship between Participation and Co-creation	98
2.2 The Relationship between Co-creation and Trust	98
2.3 The Relationship between Co-creation and Satisfaction	99
3. Methodology and Results	99
3.1. The Exploratory Factor Analysis.....	100
3.2. The Confirmatory Factor Analysis.....	100
3.3. Structural Equation Modelling	100
4. Conclusions	101
CHAPTER VIII CONCLUSIONS	
1. Conclusiones	103
2. Limitaciones	105
3. Futuras Líneas de Investigación	105
REFERENCES	107
